

Petition to end the corporate theft of workers' pensions

We, the undersigned residents of Canada, draw the attention of the Government of Canada to the following:

- **THAT** Canadian workers rely on their pensions and benefits so they can live and retire with dignity;
- **THAT** Canada's inadequate bankruptcy laws allow failing corporations to take the money intended for their employee's pensions and benefits, and use it to pay off CEOs, banks and investors instead;
- **THAT** the Liberal party campaigned on improving retirement security for Canadians;

THEREFORE, we call on the Government of Canada to fix our bankruptcy laws to stop corporations from putting shareholders, banks and creditors ahead of their employees and retirees when they file for bankruptcy protection.
