Dear Roger:

I'm writing to you, to request that we immediately set dates and convene our respective bargaining committees to commence negotiations for a new collective agreement.

The Alberta economy has reached a new equilibrium and the dynamics of negotiations with your major competitor Sobeys are soon to resolve. Loblaw is well positioned in Alberta and nationally for continued economic success and our members are now anxious to insist that they be part of that success. Please contact Executive Director Christopher O'Halloran immediately to commence face to face negotiations.

Yours truly,

Thomas Hesse
