

Red Deer Food Processing Unity Event

On Thursday October 22 to Red Deer we all went.
Came together at Holiday Inn to discuss and vent.
Members from Olymel, Cargill, and JBS.
A whole lot of food processing knowledge I must confess.

Proceeded to Olymel for a show of Solidarity.
It was pleasing to see 401's popularity.
With gifts in hand 401 members stood in many places
And helped bring smiles to other members faces.

As 401 toured the Plant,
It was uplifting to hear the chant.
401 loud and proud,
Chanted the crowd.

The camaraderie shared was second to none,
A little business and a whole lot of fun.
It was great to be a part of this tour
And unite with like-minded members for sure.

Ideas of improvement were shared by all
And I'm sure will be considered no matter how big or small.
Members had their say
And gathered ideas to be mentioned on another day.

This was a show of togetherness and solidarity indeed.
I'm sure all involved have agreed.
It was an important event for us all to heed,
With Tom and Richelle in the lead.

401 loud, 401 proud
