Purpose of Agreement

It is the intent and purpose of the parties hereto that this Agreement will promote, improve, and maintain industrial, economic, and harmonious relations between the Union, the employees, and the Company, and to set forth herein the agreement between the parties covering rates of pay, hours of work, and conditions of employment, to be observed by the Company, its employees, and the Union during the term hereof.

Article 1 – Recognition and Jurisdiction

1.1 Bargaining Agency and Unit

The Company recognizes the Union as the sole agency for the purpose of collective bargaining of all employees in the Plant(s) owned and operated in the area of greater Calgary, as more particularly set forth in the certification granted the Union by the Labour Relations Board.

Article 2 – Union Security

2.1 The Company agrees that the Union membership is a condition of employment for all employees in the bargaining unit.

The Company shall be free to hire new employees who are not members of the Union, provided said non-members, shall be eligible for membership in the Union, and shall make application on the first day of employment, and become members within thirty (30) days. All employees shall pay to the

Union the regular dues. Employees hired through an outside agency and maintain employment after thirty (30) days shall pay dues retroactive to first day of employment.

- 2.2 The Company agrees to provide each new employee at the time of employment with a form outlining to the employee, ***their*** responsibility in regard to Union membership, and to provide the Union in writing with the name and address of each employee to whom they have presented the form letter, along with the employee's date of hire.

The Union shall bear the expense of printing the forms, the contents of the forms to be such that it is acceptable to the Company. The Company further agrees to provide the Union, once a month, with a list containing names of all employees who have terminated their employment during the previous month.

- 2.3 ***After receiving written authorization from the employee, the Company will deduct from the earnings of each employee covered by this Agreement, initiation fees, Union dues, assessments, and other fees as determined by the Union. On the last pay period of each month and prior to the tenth (10th) day of the following month, the Employer shall remit to the Union the total of the deductions made and provide a list of those members who have had Union dues deducted along with the following information (where the information is available to the Company) in a format determined by the Union and compatible with the Company's payroll system:***

- (i) Name**
- (ii) Addresses**
- (iii) Phone Numbers**
- (iv) Email Addresses**
- (v) Social Insurance Numbers**
- (vi) And any other information as may be reasonably requested by the Union from time to time.**

The Company shall meet with the Union upon request, and in any event no more frequently than every six (6) months to ensure that the Union dues, initiation fees, and any other assessments are being deducted and remitted properly and correctly.

The Union will provide any changes to initiation fees, Union dues, assessments, and other fees and the Company will apply them as soon as reasonably possible. If the Company has made errors or omissions, they shall correct the situation and remit the required deductions to the Union as soon as reasonably possible.

2.4 The Company agrees that only employees included in the bargaining unit shall perform any of the work coming within the jurisdiction of this Agreement.

Supervisors and those above the rank of Supervisors shall not assume duties that are performed by members of the bargaining unit except where such duties are limited to occasional work, negligible in amount, for the sole reason to overcome production difficulties caused by

absence of an employee. In such cases, the Company will obtain a replacement within two (2) hours unless qualified replacement is not available.

2.5 Lead Hands

The Company agrees that any employee designated as Lead Hand shall be clearly identifiable. Further, the Company agrees that no such employee shall hire, suspend, layoff, discharge, exercise other discipline, or except on the direction of Management, transfer employees to other departments.

It is understood that where a Lead Hand is the only individual with authority in the Plant, they do have the authorization to take whatever disciplinary action may be necessary to deal with a serious problem requiring immediate attention. The nature of the disciplinary action must be taken up with Management personnel as soon as is practical and the force of the discipline will not take effect until verified and recorded by Management personnel.

Article 3 – Basic Work Week and Overtime

- 3.1 Forty (40) hours per week, consisting of five (5) days of eight (8) hours each, Sunday to Thursday, or Monday to Friday inclusive, shall constitute the basic work week. Notwithstanding the foregoing, the Union agrees to meet with the Company and discuss, in good faith, any scheduling changes that may be required to satisfy volume increases

and/or customer demands that may be encountered mid agreement. All time worked in excess of the daily hours, or the basic work week shall be paid at the rate of time and one half (1 1/2 X) the regular hourly rate. The Company will pay double (2X) time on all hours worked over ten (10) hours per day or forty-five (45) hours per week.

- (a) In a week in which one (1) Statutory Holiday occurs, employees shall receive forty (40) hours pay at straight time rate and work thirty-two (32) hours.

In a week in which two (2) Statutory Holidays occur, employees shall receive forty (40) hours pay at straight time rate and work twenty-four (24) hours.

- (b) When overtime is necessary, the most senior qualified employee (as defined in Article 4.7) in the department shall have the first opportunity to declare their availability. If there are insufficient volunteers for overtime, then the selection of employees shall be on a reverse seniority basis. The Company agrees to make best efforts to minimize the number of employees needed to fulfill the overtime assignment.

The most senior qualified employees in the department will be afforded the overtime work available and shall be paid at the applicable rate of pay for the overtime work performed. Where P5 employees voluntarily work overtime in a P1 position, they shall be paid at the P1 overtime rate.

Departments are defined as follows:

- Kill and Live Hang
- Eviscerating
- Packaging
- Shipping
- Trucking
- Sanitation
- Maintenance

The Company agrees to provide the opportunity to train the senior employees in Packaging so that they have the skills required to work the overtime. Those employees who wish to be trained in other jobs within Packaging will make application to the Plant Superintendent. Upon request by the Union, the Company will supply the Union with a copy of all regularly scheduled shifts.

- 3.2 The basic work day for employees not covered by Articles 3.3 and 3.3 (a) will have shifts starting between **3:00 a.m.** and **7:00 p.m.** and shifts starting before **3:00 a.m.** and after **7:00 p.m.** shall be paid at the overtime rate for the period outside the **sixteen (16)** hour period.

For all time worked prior to the scheduled start time for each department, the time worked shall be paid at the overtime rate as set out in this Agreement.

3.3 Shipping/Receiving and Sanitation

The basic work day may have varied starting and quitting times provided these hours do not exceed forty (40) hours per week consisting of five (5) consecutive days of eight (8) hours each, with a two (2) day break between work weeks. Day shift is the period for shifts starting between 4:00 a.m. and 6:00 p.m.

All time in excess of the daily hours of the basic work week as set out in this Agreement shall be paid as per Article 3.1.

Employees shall have their work schedule posted in an appropriate place at least seven (7) calendar days in advance. Failure to provide the required notice will result in overtime as follows:

- (a) For a change in hours in the day, overtime hours will be paid for all hours outside the schedule equal to the period of notice not given.
- (b) For a change in days, overtime hours for the days not previously scheduled equal to the period of notice not given.

- (b) Once per year during the month of January, the Company will post the list of jobs described in Appendix "A". An employee who wishes to fill one of these jobs must apply. The Company will train within reason, so that in the event of a temporary vacancy, they shall have the qualifications needed. The preference of filling a temporary vacancy will be given to employees currently on the same

shift as the vacancy, except where there are no volunteers/applications, in which case the Company will look to other shifts.

- (c) Once a temporary job becomes available, the Company will fill it by the list as mentioned in point (b) above as long as the employee has the qualifications and ability to satisfy the requirements. If the list doesn't have any names or no one available, the Company will fill the job with the least senior employee who has the ability to perform the job ***in accordance*** with Article 4.7.

Upon recuperation from an extended absence, the employee will give the Company one (1) weeks notice of ***their*** intention to return to work.

If there is a reoccurrence of the illness or injury that caused the original absence within one (1) month from the date of return then the absence is considered to have continued. It is understood that the actual time worked will be added to the time limits specified above before the termination is effected.

- 4.12 Transfers to another shift or another department shall be based on seniority. Employees may submit a written request to the Plant Superintendent and a copy forwarded to the Union provided they have not been transferred within the previous twelve (12) months (Consideration within previous twelve (12) months may be considered on an individual basis by the Company and the Union on a special circumstance).

There shall be no discrimination against any employee for refusal to cross a legal picket line or obey a lawful Union order. The Company further agrees that there will be no discrimination with reference to the Alberta Human Rights Act.

15.2 Harassment

The Company agrees an Agreement has been entered into, as a result of which this Agreement shall continue to be binding on the person or persons or any business organization continuing the business. It is the intent of the parties that this Agreement shall

If a satisfactory settlement cannot be reached, or if the party fails to meet the other party within fourteen (14) days of receiving the written grievance, either party may, by written notice served on the other require submission of the grievance to Arbitration. Such Arbitration to be established in the manner provided in Article 18 of this Agreement.

- 17.2 The record of any disciplinary action shall not be referred to or used against an employee at any time after eighteen (18) months following such action.

Article 18 – Arbitration

- 18.1 The grievance may be referred to a single arbitrator by notice in writing to the other party within thirty (30) working days of the decision in the second step of the grievance procedure.

If the parties are unable to agree within twenty (20) working days after the request for arbitration on a person to act as a single Arbitrator, either party may request in writing that the Director of Mediation Services of the Province of Alberta appoint a single Arbitrator.

Article 19 – Guaranteed Work Week

This **article** will apply only to those employees who are permanent full-time employees of the Company.

For the purposes of this article, “full-time permanent employees” shall mean any employees employed for a period of time exceeding three (3) consecutive months.

Where an employee is entitled to the guaranteed work week and is called to work during the week, they shall be entitled to receive pay not less than thirty-two (32) hours per week and seventy-two (72) hours per pay (bi-weekly) regardless of the fact that such employee may not work that many hours.

The following provisions shall apply in this regard:

- (a) The Company will adjust employees in proportion to the work available or expected to be available. - (e) Any employee who is laid off in excess of one (1) month is not eligible for the guaranteed work week provision in the week of recall.
- (f) Where overtime or other premium paid hours are worked they shall be computed as, one (1) hour worked is one (1) hour of the guarantee only.

Letters of Understanding

Between: Sofina Foods Inc. (Lilydale Division)

And: United Food and Commercial Workers
Canada Union, Local No. 401

1. Re: Temporary Foreign Workers

Should there be a conflict or potential conflict in the language of the Collective Agreement and the temporary foreign workers, the Company shall meet with the Union to discuss and attempt to resolve the issue.

2. Re: Hand Slaughtering for Religious Purposes

The Union recognizes that the Company processes “Halal” poultry products which requires expert hand slaughtering services in accordance with Islamic law.

The Union further recognizes that neither the Company nor its employees currently have the required expertise to perform this work.

Accordingly, and notwithstanding any Article to the contrary, the Union agrees that the Company may use third party contractors to perform hand slaughtering services in connection with its “Halal” products.

These individuals will not be performing work that is normally performed by employees.

The Company agrees that as part of this letter of understanding, there shall be no reduction in hours or in the work currently being performed by members of the bargaining unit as a result.

This letter will expire with the Collective Agreement.

3. Re: Common Anniversary Date for Vacation

Following the Company's move to its new production facility: the Union and the Company, at the request of either party and provided that one (1) month notice has been given, shall meet and discuss moving to a common anniversary date for the purpose of vacation accrual and scheduling employees. Any decision regarding a common anniversary date shall be made by mutual agreement.

4. Re: State of Emergency

1. During the renewal Collective Agreement negotiations, the parties discussed the process surrounding states of emergency. The Company agrees that should the Provincial Government declare a state of emergency that materially impacts the bargaining unit, the Company will contact the Union and share and review any applicable plans.

2. The parties recognize employee and customer safety are of paramount value. The parties agree to, at a minimum, meet directions issued by the

applicable government authorities in these circumstances.

- 3. The Company commits to maintain its existing practices as it relates to notifying and sharing information with the Union when a COVID-19 positive has been confirmed by public health. This includes notifying the Union that Occupational Health and Safety, Alberta Health Services, or Workers Compensation are visiting the Plant when advance notice has been provided so that the Union can participate. When an emergency is declared, the Company commits to share with the Union Labour Relations Officer as soon as reasonably possible any changes in PPE, additional security, screening measures, and/or changes to shifts or working conditions.***
- 4. If a COVID-19 positive has been confirmed by public health, the Company shall provide the Union with the names of the confirmed positive employees, contact information (upon approval by the employee), last day worked, and expected return to work. The Union shall keep this information strictly confidential.***
- 5. The Company and the Union agree to continue to make every reasonable effort to ensure that AHS authorized COVID-19 vaccines are prioritized for our essential workforce as soon as reasonably possible. Employees will be strongly encouraged by the parties to take the vaccine in the interest of workplace health and safety; however, the vaccine will not be mandatory unless the applicable government authorities require mandatory COVID-19 vaccinations for Albertans***

or for the industry in which the Company operates.

6. The Letter of Understanding shall remain in effect until expiration of the collective agreement or until the end of the Pandemic as declared by Health Canada.

5. Re: Plant Relocation Reopener

The Parties acknowledge not all issues associated with the move to the new plant, or the operations of the new plant and application of the Collective Bargaining Agreement, can be anticipated and hence dealt with in collective bargaining that will occur prior to the move.

At the same time, the Parties agree a long-term Collective Agreement benefits both Parties, and creates stability for employees and the Company during this time of transition.

As a result, the Parties also agree to a partial reopening of the Collective Agreement to begin within six (6) months after the Company declares the existing plant is closed. Either Party may give the other three (3) months' notice of their intent to reopen, at any time between three (3) and six (6) months after the Company declares that the existing plant is closed.

Sofina will advise the Union, in writing, when the existing plant is closed.

The purpose of the reopener is to discuss and find solutions to any potential conflict between the Collective Bargaining Agreement and operations at the new plant that could not be anticipated and therefore dealt with at bargaining. The reopener will not apply to monetary items such as wages, benefits, vacation time, etc.

If the Parties are unable to reach agreement on any amendments to the Collective Agreement as set out above, any outstanding items may be referred to interest mediation/arbitration on a final offer selection basis.

The Parties agree the final arbitrator shall be Tom Jolliffe, Alan Ponak, or Mia Norrie, unless the Parties agree to substitute.

6. Re: Temporary Workers/Contactor During Plant Move

In order to facilitate the successful transition from the current plant to the new one, it is anticipated that Sofina may require a temporary expansion of its hourly workforce while the new plant is being commissioned, and while some production may be occurring at both plants.

It is recognized the need for additional hourly staffing will be fluid, and the hours of work for these additional hourly workers or contractors may be irregular.

In recognition of this, and the existing Collective Bargaining Agreement right to use these types of hourly workers or contractors, the Parties agree

Sofina may hire hourly temporary workers or contractors to meet this need during the transition period. Such hourly workers or contractors may be employed commencing two (2) months before start of commissioning of the new plant and up to and including two (2) months after the existing plant is declared closed by the Company, unless the Parties agree to a longer period. The parties acknowledge that Sanitation contractors will need to start earlier than two (2) months before start of commissioning.

Any regular qualified employee on layoff will be recalled before Sofina uses hourly temporary workers or contractors. Hourly temporary workers or contractors shall not displace any regular employee from their position, but will be used to supplement the regular workforce during the transition period.

Temporary workers may be released at any time, as long as the dismissal is not discriminatory or in bad faith.

Any temporary worker subsequently hired as a regular employee will serve the regular probation period.

7. Re: Transition Committee

Sofina has announced that its current Calgary production plant is targeted to close in 2021, and will be replaced by a new Calgary production plant at a new Calgary location (the new production plant).

The Parties have agreed that current employees will have a right to transfer to positions at the new production plant, and that the Collective Bargaining Agreement and all provisions within shall continue in force at the new production plant, unless temporarily modified as per the below or renegotiated as part of the Plant Relocation Reopener LOU.

This Letter of Understanding signifies the Parties' intention to work together collaboratively to ensure the negotiation of special provisions to allow the transfer of work to the new plant in a manner that promotes security of employment, safety, continuity of production, and efficient operations.

The transition period will run from the first day that bargaining unit employees are required at the new plant until the old plant is declared closed by the Company.

It is recognized that construction schedules and new production plant commissioning are not entirely predictable, and therefore both Parties will need to actively communicate and demonstrate some flexibility to ensure the transition from the current to new production plant is done in a manner that respects the above goals.

In order to facilitate a harmonious move to the new production plant, the Parties agree to establish a Transition Committee, consisting of four (4) members each, which will include the Union Labour Relations Officer and the Plant Manager. The remaining spots on the Transition Committee will be comprised of three (3) Union Bargaining

Committee representatives, as chosen by the Labour Relations Officer, and an equal number of members of the Management team, as chosen by the Plant Manager. The Transition Committee will meet at least once (1x) per month commencing in January 2021, unless otherwise mutually agreed.

The purpose of the Transition Committee is to keep the Union apprised of any material developments related to the transition and to discuss and resolve any issues and/or challenges that arise as the transition approaches and as it occurs.

While the Transition Committee shall not have the authority to amend the Collective Bargaining Agreement, the Committee shall have the authority to agree to temporary modifications where such temporary modifications are agreed to by both Parties, and are consistent with the goals of security of employment, safety, continuity of production, and efficient operations.

While not all temporary modifications are known today and will be discussed at the Transition Committee meetings, in the interest of transparency, those temporary modifications that are known are set out below.

To that end, and to support the successful transition of employees and work to the new production plant, the Parties agreed during collective bargaining that for the transition period alone the following applies:

Voluntary Signup Sheet

- ***To facilitate the transition to the new plant, the Company will advise how many employees are needed at the new plant at any point, for how long and what the roles and shifts are for the available work at the new plant.***
- ***To be eligible for the transition work at the new production plant, employees must:***
 - ***be currently in the same role and same shift as the Company lists on the signup sheet; however, shift exceptions may be made by the Company based on training needs and operational requirements at both plants;***
 - ***have the ability to get their own transportation to the new production plant;***
 - ***not be on vacation, a leave of absence or have a doctor or dentist appointment for any of the days they signed up for work at the new production plant.***
- ***The Company, will post the signup sheet for volunteers as it requires and with as much notice as reasonably possible with both parties understanding the unpredictability of a transition and that the length of notice may vary.***
- ***Employees will be selected based on seniority and qualifications to perform the work provided the Company's operational requirements are being met at both plants.***

- *If there are not enough volunteers on the signup sheet, the most junior qualified employee on the applicable shift will transition to the new plant.*

Collective Bargaining Agreement Articles Not Triggered by the Transition:

- *Job Postings (Article 4.8 and 4.13);*
- *Temporary Job Vacancies (4.9);*
- *Transfers (Article 4.12);*
- *Complete Plant Closing (Article 9.2);*
- *Layoff (Article 9.3);*
- *Successors and Assigns (Article 16).*

Temporary Modification to the Collective Bargaining Agreement:

- *Basic Work Week and Overtime (Article 3)*
 - *overtime will be assigned based on the plant that employees are scheduled to work at on the day the OT is available and not both plants;*
 - *given the unpredictability of the transition:*
 - *while every effort will be made to meet the shift change notice requirements set out in the Collective Agreement, there is an understanding that flexibility on the required notice for shift changes will likely be required without triggering overtime entitlements at both production plants.*
 - *while every effort will also be made to provide break times as per the Collective Agreement, at the new production plant the Parties agree that some flexibility is required with scheduling breaks in the*

event of an equipment breakdown without triggering overtime.

- Seniority (Article 4)

- Because there will be a period of time where both plants are operational, the Parties recognize that temporary staffing adjustments must be made. Employees will temporarily be entitled to work outside of the bargaining unit for longer than six (6) months at both plants and for more than one (1x) time without loss of seniority***

- Health and Safety (Article 12)

While the terms of this LOU apply to modify portions of the Collective Bargaining Agreement during the transition period, the contents of the LOU itself are not subject to the grievance and arbitration process.
