- 8.03 Employees shall record their own time at work including the time they start and finish work and the time they commence and return from meal periods on either time sheets, by means of a time clock or other time reporting system as designated by the Company. Any employee found to not accurately record their time worked will be subject to discipline.

Completed time and attendance reports for the previous four (4) weeks will be made available for inspection by the Union for purpose of checking the proper recording and payment of time worked on a weekly basis. In the event of investigations into trends and patterns of hours worked, the four (4) week limit will not apply.

- 8.04 The schedule of hours for the week or scheduled work period may be changed without notice in the event of unscheduled absence of employees, or as may be required by Management, or in the event of emergencies such as storm, flood, breakdown of equipment, hazardous conditions, or other instances of force majeure. Such notice shall be given as far in advance as practicable by Management.

In all other cases, at least forty-eight (48) hours notice of any change must be given, or the employee is not obligated to accept the change.

It shall be the Company's responsibility to notify all employees affected by a change in their schedule.

- 8.05 Should an employee be required to work in excess of his/her scheduled hours due to an unscheduled absence of employees, unexpected business requirements, or an

emergency, or as may be required on occasion by Management, such employee shall not work in excess of forty (40) hours in a week at the employee's regular rate of pay.

Notwithstanding Article 8.01, Management may designate a part-time employee at its discretion to work in excess of thirty-six (36) hours in a week for the efficient operation of the business but in no circumstance shall an employee work in excess of forty (40) hours in a week at the employee's regular rate of pay.

8.06 Call-In Time

Employees called in and who report to work, if required to work less than three (3) hours, shall receive three (3) hours pay at their regular rate. It is understood that call-ins will be offered by seniority provided the employee has the necessary skill and ability to perform the required work.

Scheduled Time

Employees scheduled and who report to work, if required to work less than four (4) hours, shall receive four (4) hours pay at their regular rate.

Required employee meetings shall be exempt from the above and in any event the employee shall not be reimbursed for more than one (1) hour at his/her regular hourly rate of pay.

8.07 When an employee is unable to take their break as a result of working with an untrained retail store employee, he/she shall be compensated for their break at the applicable straight time or overtime rate.

In all other events where an employee may not receive their break, he/she will communicate the matter with their Store Manager or their designate and if the Store Manager or designate is unable to arrange for relief, the employee will be compensated for their break at the applicable straight time or overtime rate.

It is understood that the above does not allow employees to refuse to take their breaks and that employees should make every effort to take their breaks.

8.08 Rest Periods

- (i) An employee working a shift of four (4) hours will have one (1) paid rest period not to exceed fifteen (15) minutes.
- (ii) A daily shift of more than seven (7) hours, will have two (2) paid rest periods of fifteen (15) minutes duration each which may be scheduled as follows, if mutually agreeable:
 - (1) Combine the two (2) rest periods at mid-shift;
 - (2) Two (2) rest periods as per usual practice with a half (1/2) hour for lunch break unpaid.
- (iii) A daily shift of more than nine (9) hours will have one (1) additional paid rest period of ten (10) minutes duration.
- (iv) Meal and rest periods will be uninterrupted.

8.09 Sunday shall be considered the first day of the week for payroll purposes.

Article 9 – Overtime

- 9.01 Overtime shall be paid at **time** and one half (1 1/2 X) times the employee's regular hourly rate of pay.
- 9.02 All time worked in excess of ten (10) hours on one (1) shift or, in the event as may be required and authorized by Management, in excess of forty (40) hours in one (1) week, the employee shall be paid at time and one half (1 1/2 X) their regular hourly rate for such time worked.
- 9.03 Overtime shall be offered to the most senior employee on the shift providing the employee has the ability and skill to perform the required overtime work. If the senior employees do not wish to accept overtime, Management shall have the right to assign such work by reverse seniority to employees who have the necessary ability and skill and who are at work at the time. It is understood by the Union and employees that overtime call-ins or scheduled overtime will be offered by seniority to all employees in accordance with their availability. If the senior employees do not wish to accept the overtime, Management shall have the right to assign such work by reverse seniority to employees who have the necessary ability and skill.

Article 10 – General Holidays

- 10.01 The observance of General Holidays and compensation for employees for General Holidays shall be based on the average hours worked in the previous four (4) weeks, providing the employee has worked at least fifteen (15) days in the last thirty (30) calendar days. The General Holidays observed shall be:

New Year's Day	Family Day
Good Friday	Canada Day
Victoria Day	Labour Day
Thanksgiving Day	Christmas Day
Remembrance Day	Boxing Day
Heritage Day (1 st Monday in August)	

Employees required to work on a General Holiday listed above shall be compensated at the rate of time and one half (1 1/2 X) their hourly rate for each hour worked.

Due to the nature of the business and the proper staffing of the facility, a part-time employee may work up to forty (40) hours, at regular rate during the week preceding a General Holiday and during the week of the General Holiday, as may be required by Management.

10.02 Payment for General Holidays shall be calculated on regular hours worked on average in the four (4) weeks preceding the week in which the General Holiday occurs and paid to the employee at this regular hourly rate of pay as follows:

- Thirty-two (32) regular hours worked – eight (8) hours' pay.
- Twenty (20) regular hours worked but less than thirty-two (32) hours – five and a half (5 1/2) hours' pay.
- Ten (10) regular hours worked but less than twenty (20) hours – three (3) hours' pay.

10.03 It is understood that all employees may be scheduled on General Holidays on a rotating basis and the employees agree to co-operate. No employee will unreasonably restrict their accessibility on General Holidays.

Article 11 – Vacations

11.01 Full-time employees shall receive the following vacations:

After one (1) year of full-time service by April 1st – two (2) weeks;

Five (5) years of full-time service by April 1st – three (3) weeks subject to the Employment Standards of the Province of Alberta.

Part-time employees will receive vacation pay allowance based on their previous year's wages earned January 1st to December 31st, and paid to them during the month of February as follows:

One (1) year of service – four (4%) percent;
Five (5) years of service – six (6%) percent.

Notwithstanding the foregoing, where an employee's absence due to occupational or non-occupational accident, sickness, or unpaid leave of absence, extends beyond thirty-one (31) consecutive days in a year he/she shall have his/her vacation pay reduced on a pro-rated basis in the subsequent vacation year.

11.02 *The Company will post a vacation planner on January 1st of each year. Employees shall be listed on the planner in accordance with their seniority. The pick order for vacation selection shall be as follows:*

All other unscheduled vacation requests will be approved at the Company's discretion.

No weeks will be blacked out.

Article 12 – Seniority

- 12.01 Full-time employees are considered to be senior to part-time employees for all aspects of the Collective Agreement.
- 12.02 Seniority for all employees shall be defined as length of continuous service with the Company from the employee's most recent date of hire in each specific Gas Bar location.
- 12.03 When two (2) or more employees are hired on the same date, their seniority shall be determined by alphabetical order of surname at date of hire.

In addition, where there are two (2) or more employees whose name begins with the same letter, the next letter will be used. Where the last names are the same, the first name of the employee will be used.

- 12.04 A seniority list will be forwarded to the Union in January and July of each year.

12.05 The Company reserves the right to schedule hours of Gas Bar operations, employee hours of work, rest periods, meal periods, and overtime work, subject to the following provisions:

- (a) In the ordinary course of business, the order of scheduling employees will be:
 - (i) Team Co-ordinator.
 - (ii) Full-time employees to the extent of their basic workweek.
 - (iii) Unrestricted part-time employees.
 - (iv) Restricted part-time employees.

Unrestricted part-time employees will be scheduled before restricted part-time employees (i.e. when possible, unrestricted part-time employees will be scheduled to work more hours than a restricted employee insofar as this is consistent with their availability and willingness to perform the work).

“Unrestricted Part-time Employee” means a part-time employee who is available to work any shift in the Gas Bar three (3) days per week, Monday to Friday, plus Saturday, Sunday, and General Holidays.

Restricted part-time employees hired prior to September 2nd, 2011 must be available anytime on Sundays.

Restricted part-time employees hired after September 2nd, 2011 must be available anytime on Saturdays and Sundays.

Part-time employees will be required to work according to their most recent declaration of availability. Part-time employees can change their availability **four (4)** times per year, but cannot further limit their availability between November 15th and the end of the year.

Changes in availability must be submitted two (2) weeks prior to the Sunday of the week of the effective date of change.

- (b) Subject to operational needs, all shifts will be fairly rotated on a weekly basis.

There shall be an interval of not less than eight (8) hours off between scheduled shifts for all employees. An employee who is not allowed eight (8) hours off between scheduled shifts shall be paid the rate of time and one half (1 1/2 X) for time worked prior to the expiry of the eight (8) hour interval.

Employees shall not be scheduled to work more than seven (7) consecutive days unless otherwise mutually agreed to by Management and the employee.

R.T.O.'s (Request for Time Off)

Employees who have a specific request for time off shall inform the Company in writing of the specific days that they are requesting by Wednesday prior to the schedule being posted. Subject to operational needs, requests will not be unreasonably denied.

12.06 To enhance the Company's ability to develop staff to assist in the efficient staffing of each Gas Bar, Management may designate an individual on the basis of their merit as determined by Management for:

- (1) Relief of Management personnel; and
- (2) When not relieving such designated employee shall be assigned hours equal to but not more than the senior unrestricted part-time employee at the Gas Bar.

12.07 Temporary Relief

Scheduled shifts and call-ins should be filled in order of seniority within each Gas Bar. Overtime cannot be avoided by calling in employees from other Gas Bars or Retail Stores at regular time, except as provided below.

Where additional shifts are available that cannot be filled, the Company may transfer an employee between Gas Bars to provide relief and additional help after all employees within that Gas Bar with the necessary skill and ability have been given the opportunity to work the available shifts.

The Company will limit the use of retail personnel to relieve a Gas Bar employee to emergency situations and unusual personal circumstances. The Company agrees that while a retail store employee operates a Gas Bar, that employee shall be covered in every respect by the terms of the Collective Bargaining Agreement covering retail store employees.

The above will not prevent the use of Gas Bar Operators for the purpose of relief.

12.08 It is agreed that each specific Gas Bar location shall be considered a separate entity for all purposes in connection with the administration of this Agreement, employment seniority, and for the purposes of The Labour Relations Code and The Employment Standards Code of the Province of Alberta.

Article 13 – Strikes, Slowdowns, and Lockouts

13.01 There shall be no strikes, slowdowns, or lockouts by the parties to this Agreement during the term of the Agreement.

- 15.01 (a) Any complaint, disagreement, or difference of opinion between the Company and the Union or the employees covered by the Agreement which concerns the interpretations, application, operation, or alleged violation of the terms and provisions of this Agreement shall be considered as a grievance.
- (b) Any employee, the Union, or the Company may present a grievance. Any grievance which is not presented within fourteen (14) calendar days following the event giving rise to such grievance

(except by errors in respect to the employee's compensation which must be presented in writing within fourteen (14) days of the employee becoming aware of the event giving rise to such grievance), or within ten (10) days of the last day worked in the case of a dismissal, shall be forfeited and waived by the aggrieved party. Time limits may be extended by mutual agreement with written confirmation.

(c) All grievances, except those submitted by the employee to his/her immediate superior or to the Union, shall be submitted in writing and set forth, clearly, the issues and contentions of the aggrieved party; the Company shall then reply, in writing, to the Union's letter, setting forth their answer to the points raised by the Union in its grievance.

(d) The procedure for adjustment of grievances and disputes by an employee shall be as follows:

1st Step: By a discussion between the employee and the Shop Steward or Union Representative and employee's immediate superior and/or Store Manager. If a satisfactory settlement cannot be reached then:

2nd Step: The Union Representative(s) may submit a written grievance and take up the matter with the Company's official designated by the Company to handle labour relations.

If a satisfactory settlement can not be reached, the matter may then be referred to Arbitration. A referral to arbitration will not be made until both parties have had a grievance meeting or conference call on the matter. A grievance meeting will be held within thirty (30) days of the request of either party.

Article 16 – Arbitration

16.01 All grievances that cannot be settled by the Representative of the Company and the Union in accordance with Article 15 may be submitted to a single arbitrator as set out below.

The single arbitrator shall be mutually agreed upon by the Union and the Company. In the event that a single arbitrator cannot be mutually agreed upon, then application for appointment of an arbitrator shall be made to the Director of Mediation Services for the Province of Alberta.

The Arbitrator shall not be vested with the power to change, alter, or modify any of the terms of this agreement.

No person shall serve as an Arbitrator if he/she is involved or directly interested in the grievance.

The decisions of the Arbitrator shall be binding and enforceable to all parties.

It is agreed that the expenses of the Arbitrator shall be borne equally by both the Union and the Company.

Article 17 – Team Co-ordinator

17.01 Team Co-ordinator

A Team Co-ordinator will be appointed in all Gas Bars. In Management's sole discretion, such employee will be appointed. Where a Team Co-ordinator has not been appointed, Management will assign an employee on a temporary basis to perform the duties of an acting Team Co-ordinator and pay them at the applicable rate of pay.

Person In Charge

In Management's sole discretion, an employee may be appointed as determined by Management as Person-in-Charge on a shift. A premium of fifty (\$0.50) cents per hour for all regular hours shall be paid to an employee so appointed on a shift in excess of two (2) hours when the Fuel Station Operator or Team Co-ordinator is not on the shift.

17.02 Management Relief

An employee assigned to relieve the Gas Bar Operator for greater than three (3) days in a calendar week or more shall receive fifty (\$0.50) cents per hour in addition to his/her regular hourly rate of pay for all time so designated by the Company. Article 18 – Leaves of Absence

18.01 Occasionally an employee may request a leave of absence. Such requests should be in writing and presented to the person who prepares the work schedule. All leaves of absence will be without pay and benefits.

Consideration will be given taking into account, for example, the efficient operation of the business, the frequency of previous leaves, and the impact of the work team.

18.02 Time off for Union Business

The Company agrees to allow time off work, without pay, provided there are satisfactory replacement employees available, for delegates elected or selected to attend seminars, Union conventions, and Union business. The Union will give the Company at least two (2) weeks notice.

Time spent on Union business for employees, where the Company is reimbursed by the Union, shall be considered as time worked.

18.03 Leaves for Parents

(a) Maternity Leave

Employees shall request a leave of absence without pay up to a maximum of **sixteen (16)** weeks because of pregnancy. Such request will be granted, provided the employee submits to her Company a request, in writing, for such leave at least **six (6)** weeks prior to the date she intends to commence such leave, together with a certificate from a qualified medical practitioner, certifying that she is pregnant and indicating the estimated date of confinement. Such leave may, at her discretion, commence **thirteen (13)** weeks or more (depending on medical requirements) prior to confinement and the period, if any, between the date of confinement mentioned in the certificate and the actual date.

The employee, when returning to work at the end of her leave (maternity or parental leave) shall give the Company **four (4)** weeks notice of date of return and submit a certificate from her doctor, indicating that her resumption in employment will not, in his/her opinion, endanger her health.

The leave will be taken during the first **seventy-eight (78)** weeks after the birth of the child or, in the case of an adoption, after the child comes into the custody of the employee.

(c) Paternity Leave

An employee about to become a parent shall be entitled to an unpaid leave of absence of up to two (2) days at the time of the birth of the child.

18.04 General Leaves of Absence

The Company understands that employees may need to take an unpaid leave of absence to deal with matters of a personal nature. Requests for leaves of absence will be dealt with on an individual basis. It is understood that no leaves will be unreasonably denied.

18.05 Funeral Leave

In the event of death in the immediate family of an employee, the employee will be granted leave of absence without pay, with consideration given to travel time for the purpose of attending the funeral. The length of such absence shall be at the discretion of the Company. The term "immediate family" shall mean: spouse, parent/step parent, child/step child, brother, sister, mother-in-law, father-in-law, sister-in-law, brother-in-law, son-in-law, daughter-in-law, grandmother, grandmother-in-law, grandfather, grandfather-in-law, and grandchildren, or any relative living in the household of the employee. Incentives

The parties agree that Appendix "A" does not prevent the implementation of additional premiums or other incentives as determined by the Company from time to time. Where it is necessary for the Company to hire at a rate greater than the rate posted in Appendix "A" due to labour market conditions, the newly hired employees will be credited with the corresponding number of career hours to their assigned rate.

Letters of Understanding

Between: Sobeys ***Capital Incorporated***, a body corporate carrying on business in the Province of Alberta, hereinafter referred to as “the Company”;

And: United Food and Commercial Workers Canada Union, Local No. 401, hereinafter referred to as “the Union”.

Letter of Understanding #1 - Seniority Dates for employees hired prior to September 2nd, 2011

Thirty (30) days following the date of ratification (September 2nd, 2011), the Company will total all hours worked by employees employed at the date of ratification (September 2nd, 2011). The Company will post a seniority report in each Gas Bar location and provide a list of the new seniority dates to the Union within two (2) weeks. Should there be a dispute over the seniority dates the Union and the Company agree to discuss and resolve the matter within two (2) weeks of posting. It is understood that the generated seniority dates cannot predate the date of hire.

To determine new seniority dates, the following formula will be used:

Total hours worked /40 hour workweek x 7 days = number of days. The total number of days will be subtracted from the date of ratification (September 2nd, 2011) to calculate the new seniority date.

(For example, $(2080/40) \times 7 = 364$ days. September 2nd, 2011 date of ratification would result in a September 3rd, 2010 seniority date).

Letter of Understanding #2 – Time Off Between Shifts

Upon written request from an employee, the Company will endeavour to provide ten (10) hours between shifts subject to the scheduling and operational needs of the Gas Bar.

Letter of Understanding #3 – Part-Time Health and Welfare Trust

Effective Sunday Following Ratification (October 6th, 2019), the Company will not contribute to the Part-Time Health and Welfare Trust (Article 20.03) for the life of the Collective Agreement (September 3rd, 2022).

Letter of Understanding #4 – Return to Work Planning Meeting

The Company will notify the Union with reasonable notice when an employee has been off and unable to perform their regular duties, and there will be a “Return to work planning meeting”.
