

**VOTE AARON FOR  
INTERNATIONAL UFCW  
CONFERENCE  
DELEGATE.**

---

**INTEGRITY, STABILITY AND  
UNIQUE.**

Aaron Letendre

## A Short Summary:

In honor of your vote, I will be proud to represent you at the 23<sup>rd</sup> International UFCW conference in April.

I am proud to have been nominated by wonderful coworkers who I had the pleasure of serving over my career with Safeway and my brothers and sisters in the membership of UFCW.

Commitment is one of my strong points, and I never back down when the tough get going. Born in Edmonton and raised by a single mother who is retired from 35 years of postal service, you can say that Union blood flows through my veins. Through my years of working for Safeway, blood, sweat, and tears, I've earned a reputation of being a dedicated employee and a strong voice for workers' rights in the workplace.

Through my years of service with Safeway, I was able to learn and to understand our collective agreement and to understand

bargaining rights. I'm also proud to have fundraised for the local food bank, which in our past campaign I have managed to raise over \$2200 For our food bank.

I am a proud shop Steward, I have managed to help employees navigate through our 2020 collective agreement, with 80% of my store turning out to vote. Dealing with individual needs and helping our members navigate through CBA, also if needed to be that little poke to manager's foot from time to time If it requires it to make sure that our voices are heard.

I would be proud and honor to have your vote this election season to be your

delegate for the International Union  
conference.
