

Hello Sisters and Brothers,

My name is Mohamed Kanu, I've been employed at Olymel Red Deer for the last 19 years and been a proud union member and shop steward for UFCW for about 17 years. I have been a shop steward on the afternoon shift pork cut as well I have been an active participant on our workplace Health & Safety Committee for the last 17 years. I am active in my community for example the Association of African Union of Central Alberta and as well the Food Bank of Red Deer.

I am multi-lingual, I can speak English, Spanish, read and write Arabic, African and I regularly help as a translator in my community and workplace. When I've had the honor and opportunity of attending past conferences I actively participate in representing the concerns of the working people in the province of Alberta, Canada. It would be an honor to have your support for this international conference.
