MEMORANDUM OF AGREEMENT entered
into this **4th** day of **February, 2022**.

This Collective Agreement is entered into by the United Food and Commercial Workers Canada Union, Local No. **401** (hereinafter referred to as the Union) and Alberta Distillers Ltd. (hereinafter referred to as the **Company**). The purpose of this Agreement is the promotion of harmonious relations between the Company and the Union; the establishment of equitable and peaceful procedures for the resolution of differences; and the establishment of rates of pay, hours of work, and all other terms and conditions of employment. The parties agree to administer this Agreement in compliance with all legislative requirements and to work cooperatively to ensure that the rights of all employees are protected.

Article 1 – Recognition and Scope

- 1.01 The Company does hereby recognize the Union as the sole labour organization representing the Company's employees **covered by certificate C-63-2018 issued by the Alberta Labour Relations Board (ALRB)** and recognizes and agrees to treat and negotiate with the Union as the sole and exclusive bargaining agency for and on behalf of such employees in its plant in Calgary, Alberta. No individual employee or group of employees shall undertake to represent the Union at meetings with the Company without proper authorization of the Union.
- 1.02 The term "employees" as used in this Agreement means all individuals working on hourly rated production and maintenance jobs employed at the Calgary plant, but in no event shall it include **Managers, Supervisors, superintendents, department heads, non-working foremen, nurses, guards, chemists, office employees, and excluding such employees as are now covered by other certificates issued by the ALRB.**
- 1.03 Persons excluded from the bargaining unit shall not be permitted to perform any work normally performed by employees in the bargaining unit, which said employees now perform or have performed in the past, except for purposes of training, instruction, experimental work, test repaired equipment, emergency **utility** shut-off, and overflowing tank shut-offs. The Union employee in this case would not be held responsible for the results.
- 1.04 For the purposes of interpreting this Agreement wherever the singular or masculine gender is used in this Agreement, it shall be considered as if the plural or feminine has been used where the context of the **A**greement so requires.

- 1.05 The Company shall have full authority in the operation of all branches of its business, including the right to employ any person it may see fit, to maintain discipline and enforce reasonable employment rules, and to discharge or suspend any employee who is unsatisfactory to the Company. Employees will abide by the plant rules.
- 1.06 For the purposes of clarification the term "earnings" shall be interpreted to mean hours paid while working, including vacation, but shall not include payments received by the employee from Workers Compensation, Weekly Indemnity, Long Term Disability or **Employment Insurance**, unless specifically mentioned in another **Article**.
- 1.07 In the interest of providing a positive atmosphere, the Company, in conjunction with the Union Executive, agrees to commit to ongoing updates through the Town Hall meetings, Union/Management meetings, Union Membership meetings, and any other method of communications. Town Hall meetings shall be held at least once every calendar year to keep employees informed.

Article 2 – Membership

- 2.01 Employees covered by this Agreement, who are members of the Union in good standing on the effective date of this Agreement shall remain members in good standing. All employees covered by this Agreement and hired on or after the effective date of this Agreement, shall become and remain members in good standing of the Union.
- 2.02 (a) All newly hired employees shall be deemed to be on probation for the period of seven hundred and twenty (720) working hours following their first day of

employment and may be discharged by the Company at any time during such probationary period. The discipline or termination of probationary employees shall not be made the subject of a grievance.

- (b) If a probationary employee works for a period of less than seven hundred and twenty (720) working hours and is laid off and is later recalled, the first period worked and any subsequent period shall count as part of the seven hundred and twenty (720) working hours of probation, unless the period of time between the last date worked and the date a probationary employee is recalled exceeds six (6) months, in which case the period of probation will start again.
- (c) Employees shall be enrolled in the Company Health and Welfare Plans not later than the first of the calendar month following the completion of their probationary period.

2.03 The Union shall be the sole judge of the good standing of its members. Any employee who fails to become a member of the Union or who fails to pay the required initiation fees and periodic dues and duly authorized assessments as prescribed by the Union, shall be immediately discharged upon written notice from the Union to the Company setting forth the reason for the discharge, which will be consistent with the laws of Alberta. Expulsion or suspension of members by the local Union shall be under regulations consistent with the constitution of the United Food and Commercial Workers International Union.

2.04 All employees subject to the terms and provisions of this Agreement shall be required to pay the initiation fee, periodic dues, and duly authorized assessments established by the

Union as a condition for good standing membership in the Union.

Article 3 – Dues Check-Off

- 3.02** *The Company agrees to deduct from the wages of each employee, such initiation fees, assessments, and Union dues as determined by the Union. The parties agree that should the Union require a dues structure that creates a new administrative process for the Company, the parties will meet to discuss and resolve. The amount of dues, fees, and assessment paid by each employee will be included on the T-4 income tax form. Special assessments will also be deducted from the employees' pay upon proper notification from the Union. Notice must be forwarded to the Company thirty (30) calendar days before any change is to become effective.*

3.04 ***The Company shall not be held responsible for any liabilities whatsoever in handling such deductions once the remittance has been received by the Secretary Treasurer.***

Article 4 – Hiring

4.01 The parties agree that it is desirable to stabilize employment in the industry by granting preference of employment to experienced persons and recognize that the Union's knowledge and experience within the industry, together with the sources of competent manpower available to it, can be of assistance to the Company in recruiting needed employees. It is therefore agreed that the Company shall notify the Union whenever employees are to be hired and shall afford the Union an opportunity to recommend job applicants. Similar notifications may be given to other sources of employment. The Company further agrees to give such job applicants due consideration, however, such determinations are not subject to challenge by the Union.
