Article 1 – Duration and Purpose

- 1.01 The purpose of the Collective Agreement between the United Food and Commercial Workers Canada Union, Local No. 401 (UFCW) and Gateway Casinos & Entertainment Limited (the Employer) is to maintain mutually satisfactory working relations and promote a harmonious relationship between the Employer and its employees, establish and maintain rates of pay, and conditions of employment, to provide appropriate procedures for the prompt resolution of grievances and problems, and to recognize the mutual value of joint discussion, consultation, and negotiation.
- 1.02 This Agreement shall be effective from the date of ratification (**May 27th, 2022**) by both parties and shall continue in effect until May 31st, **2025**. Thereafter, the Agreement shall continue in full force and effect from year to year subject to the right of either party to serve notice to commence bargaining as provided for in the Alberta Labour Relations Code.
- 1.03 Letters of Understanding may be mutually agreed to as appropriate.
- 1.04 When notice to bargain has been served, pursuant to the Labour Relations Code, this Agreement shall continue to apply to the Employer and the Union notwithstanding its termination date, and shall continue in full effect until:
- (a) The Union commences a legal strike; or
 - (b) The Employer commences a legal lockout; or
 - (c) The parties enter into a new or further Agreement.
- 1.05 It is agreed by both parties that during the term of this Agreement there shall be no strikes, lockouts, stoppage of

work, or slowdown, and that all disputes and grievances shall be settled in accordance with the procedures set forth in this Agreement.

- 1.06 The Union will not cause or permit its members to cause, nor will any member of the Union take part in any sit down, stay in, or slow down in any premises of the Employer, or any curtailment of work or restriction of or interference of the operations of the Employer. The Union will not cause or sanction its members to cause, nor will any member of the Union take part in any strike or stoppage of any of the Employer's operations or picket any of the Employer's facilities or premises during the term of this Agreement.

Article 2 – Definitions

- 2.01 "Union" means the United Food and Commercial Workers Canada Union, Local No. 401 (UFCW).
- 2.02 Where the context so requires, masculine and feminine genders and singular and plural numbers shall be interchangeable.
- 2.03 "Employee" shall mean a person covered by this Agreement.
- 2.04 "Full-time Employee" means an employee who is scheduled for and normally works thirty-five (35) to forty-four (44) hours per week on average over a three (3) month period. The average will be calculated exclusive of overtime or any approved leave of absence.
- 2.05 "Part-time Employee" means an employee who is scheduled less than the normal daily or weekly hours on average, exclusive of overtime.

- 2.06 “Proprietary Game” means a privately owned game that is protected by patent, copy right or trademark, for which the Employer pays a user fee to operate.
- 2.07 “Continuous Service” shall mean the period of unbroken employment with the Employer, inclusive of all approved leaves of absence.
- 2.08 “Temporary Layoff” means up to a six (6) month period, in which the employee maintains recall rights.
- 2.09 “Permanent Layoff” means if the employee has not been recalled within the six (6) month period, after which time the recall rights are no longer effective.

Article 3 – Seniority and Employment Date

- 3.01 Seniority for full-time employees shall be the length of continuous service in a full-time position.
- 3.02 Seniority for part-time employees shall mean all hours worked.
- 3.03 When a part-time employee is promoted to full-time they will be credited with the number of hours converted to full-time equivalent (number of hours in the position/2080) in order to establish their seniority date.
- 3.04 When a full-time employee becomes part-time, their seniority will be converted to hours to establish their part-time seniority.
- 3.05 Employment date for all employees is defined as their start date with the Employer.

3.06

Initial Seniority Lists

- (a) The Employer shall prepare seniority lists, immediately after ratification, and post them in an area accessible to all employees, and furnish a copy to the Union. The seniority lists shall commence with the employee with the most service seniority and carry on downward to the employee with the least service seniority. Information on the seniority list shall include the employee name by classification and service seniority start date and classification seniority date within their classification.
- (b) An employee may dispute either seniority date by notifying the Union in writing within sixty (60) days of the posting of the seniority lists.
- (c) The Casino Manager and the Union Representative will forthwith meet and discuss the seniority date(s) in an attempt to make every effort to resolve the seniority dispute.
- (d) Failing a resolution on a dispute in (c) above, the matter will be subject to the grievance and arbitration procedure. Once the grievance is resolved the employee will be slotted, in the seniority list, accordingly.
- (e) Employee's seniority dates shall be posted a second time fifteen (15) days after all disputes have been received and resolved in (d) above. This list shall be deemed final and binding with no changes allowed.

Ongoing Seniority Lists

(a) The Employer shall prepare and post seniority lists every three (3) months (on January 1st, April 1st, July 1st, and October 1st) in an area accessible to all employees, with a copy to the Shop Stewards.

3.07 When two (2) or more employees are hired on the same date, their seniority shall be determined by alphabetical order of surname at date of hire.

In addition, where there are two (2) or more employees whose surname begins with the same letter, the next letter will be used. Where the last names are the same, the first name of the employee will be used.

Article 4 – Recognition

4.01 The Employer recognizes the Union as the sole bargaining agent for all employees of the Grand Villa Casino: excluding Directors, Managers, Assistant Managers, **Security Supervisors**, Slot **Supervisors**, **Promotional Hosts**, and Food & Beverage Supervisors, the Controller, Office Administration Staff, Chef/Kitchen Supervisor, Poker Houseman, Surveillance, and those employees exercising managerial functions.

4.02 The Employer recognizes that every employee within the scope of this Agreement shall have the right to be admitted as a member of the Union.

4.03 It is understood that for the term of this Agreement, the positions of Pit Boss/Floor Supervisor, and Boxman (Floor Supervisor W – Craps), will continue to perform lead hand

functions but will not have their lead hand duties expanded to include the direct imposition of discipline. Nothing in this article is intended to limit or otherwise interfere with the operation of Article 37.

- 4.04 The Employer and the Union will meet quarterly, unless otherwise agreed to by the parties, to discuss issues and share information arising from the Management of the Casino which impacts the staff.
- 4.05 The Employer and the Union will hold a joint orientation session to present and discuss the introduction of the Collective Bargaining Agreement, within sixty (60) days of the ratification of the Agreement. The Union and the Employer will send their bargaining teams to the session(s). The Employer will ensure that Managers, and others who will work with the administration of the Agreement, are present. The purpose of the session(s) will be to educate those present regarding the purpose of the Collective Agreement and amendments to it and to foster a positive working relationship between the Employer and the Union. It is also understood that the Employer will bear the cost of the session(s).

Article 5 – Union Membership

- 5.01 As a condition of continued employment, all employees hired, rehired, reinstated, or transferred (someone returning to the bargaining unit), will be required to complete and sign an application for Union membership and authorization of a payroll deduction of monthly Union dues and initiation fees. The Employer will give this application to an employee and it will be completed on their start date.

The Employer agrees to prepare the membership applications every fourteen (14) days, and to notify the Union Representative when the applications are ready to be picked up.

5.02 During the life of this Agreement, after receiving written authorization from the employee, the Employer will deduct from the earnings of each employee covered by this Agreement, Union dues prescribed by the constitution and by-laws of the Union. On the last pay period of each month and prior to the tenth (10th) day of the following month, the Employer shall remit to the Union the total of the deductions made and provide a list of those members who have had Union dues deducted. Upon request, the Employer will provide detail to the Union in situations where no deductions have been made.

The Union will notify the Employer of any change in the amount of dues and/or initiation fees to be deducted with sufficient notice (two (2) months) to effect the change.

5.03 The Employer will supply a list of employees covered by this Agreement upon written request with a minimum of seven (7) working days notice.

5.04 The Employer agrees to forward to the Union office, on a quarterly basis, information relating to employees, including:

- (a) Name
- (b) Addresses
- (c) Phone Numbers
- (d) Date of Hire
- (e) Classification
- (f) Rate of pay

- 5.05 The Employer will indicate on employees' T4 slips a statement of the annual Union dues which have been deducted.
- 5.06 Employees shall be allowed to wear Union identification pin(s) or Union message button(s) to a maximum of two (2) in any combination of their choice. It is understood that Union buttons may include messages that are reasonable and in furtherance of the Union's need to represent its members and the Labour movement as long as the wearing of the buttons is not unreasonably detrimental to the Employer's reputation and does not unreasonably disrupt work operations.

The Union will meet with the Employer if readily available, prior to the introduction of a button with messaging, to advise the Employer of its content. If the Employer is not readily available, the Union will contact the Employer, prior to the introduction of a button with messaging, to advise the Employer of its content.

It is understood that Shop Stewards may wear a Shop Steward identification button or pin plus two (2) other Union pins or buttons in any number or combination of their choice.

It is understood that in the event there is a disagreement over this article, employees will continue to be allowed to wear the Union pins and buttons pending the resolution through grievance or arbitration procedure.

It is further understood that in the event of a grievance of this nature, the parties agree to engage in an expedited arbitration process where the arbitrator selected will commit to make their determination in a ten (10) calendar day period.

Article 6 – Union Representation

6.01 Shop Stewards

- (a) The Employer recognizes the Union's right to select Shop Stewards to represent employees. The Employer and the Union will agree on the number of Shop Stewards, taking into account the operational needs of the Employer and the administrative needs of the Agreement. The duties of the Shop Steward shall be to assist in the reporting, investigation, and resolution of all grievances as well as disseminating bona fide information of the Union to the employees and the Employer.
- (b) The Employer agrees to recognize duly appointed Shop Stewards provided that the Union has first advised the Employer in writing of the names of the Shop Stewards so appointed.
- (c) The Shop Steward shall not be discriminated against or disciplined for performing the duties as a Shop Steward.
- (d) Leave of absence without pay and with seniority shall be granted to Shop Stewards and elected representatives to attend to Union business which requires them to leave their premises of employment. Such leaves shall be subject to operational requirements and will not be unreasonably denied.
- (e) The Union and the Shop Steward or elected representative will make every effort to provide as much advance notice as possible, for leave requirements to facilitate scheduling of employees. To facilitate the administration of (d) above, when leave without pay is

granted, the leave shall be given without loss of pay and the Union shall reimburse the Employer for appropriate wage and benefit costs.

- (f) Both parties recognize that all employees including the Shop Stewards have regular duties to perform for the Employer. Shop Stewards shall be allowed, during their working hours, without loss of time or pay to leave their regular duties for a reasonable length of time to investigate, adjust, write, and present grievances or complaints, subject to the fact that this procedure shall not be abused by either party. Prior to leaving their regular duties, Shop Stewards must first obtain permission from their Supervisor. Such permission will not be unreasonably withheld providing the Alberta Gaming and Liquor Commission's Terms & Conditions and Operating Guidelines of the casino license are not violated.

The Employer shall make every reasonable attempt to provide the Shop Stewards with time during working hours requested for Union business. If the request cannot be granted immediately, time will be provided during the same day at an alternate time as soon as possible. Terms and Conditions of the Casino Facility License must take precedence.

6.02 Under no circumstances shall a Shop Steward take any action or issue any instruction which will interfere with the operation or affairs of the Employer, or with the direction of the work force.

6.03 At its current location, the Employer agrees to provide the Union with its boardroom, or alternative space, for private meetings with employees.

If the business moves to a temporary location, the Employer will provide the Union with space for private meetings with employees.

If the business moves to a permanent location, the Employer shall provide the Union with an onsite office, of reasonable size, for the sole, private, and exclusive use of the Union.

The Employer agrees that the Union shall have the sole and exclusive use of the dedicated Union Office within the casino (room adjacent to staff room) in order to conduct Union business.

6.04 An authorized representative of the Union shall have the right to interview an employee at ***their*** place of employment during breaks on matters respecting the Collective Agreement or its administration.

6.05 It is agreed that Union Representatives shall have access to the employee's lunch room for the purpose of carrying on legitimate Union business but the Union recognizes that the lunch room will not be used as a second office.

6.06 It is recognized that certain circumstances *may necessitate the presence of Union Representatives on the casino floor but that the Employer is entitled to impose reasonable restrictions providing these restrictions are connected to a legitimate operational goal: and that such restrictions are proportionate and not overboard. Reasonable notice will be provided to the Games Manager before Union Representatives gain access to the gaming floor.

* These include the recognition that two (2) legitimate operational considerations warrant restrictions:

- (a) That gaming is a service industry and rules designed to remove competing demands on employee's time and attention in order to keep their focus on customer needs will be justified.
- (b) Rules necessary to comply with government regulations and to make the casino secure from criminal activity are justified.

6.07 The Employer will provide the Union with a copy of any policy or restrictions relating to the casino floor.

6.08 Both parties are in agreement that Union Representatives will attend a yearly briefing on gaming floor AGLC rules and regulations and applicable house policies pertaining to security standards on the casino floor.

6.09 Subject to establishing relevancy, the Employer agrees to cooperate with the Union when employment related documents are requested. The Employer recognizes the need to provide such documents to the Union in a timely manner so that the Union may exercise its representational rights and obligations.

When making a request for documents in excess of twenty-five (25) pages, the Union agrees to reimburse the Employer eighteen (\$0.18) cents per page for documents produced pursuant to this **article** or pursuant to any other request.

6.10 Negotiating Committee

The Employer agrees to recognize a Union Negotiating Committee comprised of up to ten (10) bargaining unit members selected by the Union for the purpose of negotiating the renewal of the Collective Agreement. The

Negotiating Committee shall suffer no loss of pay, seniority, service, or credits for time spent in training, negotiations, and meetings related to negotiations. The Union will reimburse the Employer for these costs.

Article 7 – Management and Employee Rights

- 7.01 The Management and control of the employee's operations and the direction of the work force, including, but not limited to, the right to hire, direct, schedule, supervise, promote, demote, lay-off, suspend, or otherwise discipline or discharge any employee for just and sufficient cause, shall remain the exclusive right of the Employer.
- 7.02 The parties agree that all the functions, rights, personnel pay practices, powers, and authority which the Employer has not specifically abridged, delegated, or modified by this Agreement are recognized by the Union as being retained by the Management of the Employer.
- 7.03 Subject to its duty to act reasonably, fairly, in good faith, and in a manner consistent with the Agreement as a whole, the Grand Villa Casino may exercise Management rights which are not expressly limited by this Collective Agreement.
- 7.04 The Employer recognizes the vital role that employees play in the success of the business. Both the Union and the Employer agree that all employees, both Management and bargaining unit, should treat each other with fairness, dignity, and respect. Without restricting the generality of the foregoing, the Employer recognizes the following employee rights:
- (a) The right to a safer workplace.

- (b) The right to be free from discrimination, intimidation, retaliation, and harassment.
- (c) The right to be compensated for work performed.
- (d) The right to be informed of all workplace rights, obligations, policies, and rules.
- (e) The right to translation if necessary.
- (f) The right to safe and necessary equipment.
- (g) The right to necessary training for work performed.
- (h) The right to participate in lawful Union activity.
- (i) The right to statutory benefits **and** rights.

7.05 The Employer recognizes the need to take all reasonable precautions for the protection of employees from patrons who are abusive, threatening, or violent. The Employer understands the need to remove patrons from the Casino who behave in an unacceptable, abusive, threatening, or violent fashion. For its part, the Union understands that perceptions of patron behaviour can differ and that employees' behaviour can contribute either directly or indirectly to the problem.

7.06 Security investigations shall be conducted with full deference to due and fair process, with Union Representation ensured at all critical stages.

In addition, and because serious misconduct is at issue, employees whose behaviour is being investigated **or reviewed** shall be advised of their right to **have a Shop Steward present** at the earliest stages of any investigation.

Where an allegation is made against a member of the Union, the Employer agrees to provide particulars of the allegation to the respondent and, at the respondent's request, to an attending Shop Steward.

Article 8 – Discipline and Discharge

- 8.01 The Employer has the right to discipline and discharge an employee for “just cause”.
- 8.02 The Employer shall not be obligated to give any notice, whatsoever, or to give any pay in lieu thereof, to any employee who is discharged for rank insubordination, dishonesty, obvious disloyalty, theft, or the use of alcohol or use, possession of illegal drugs on site during working hours.
- 8.03 Notwithstanding Article 8.04, the parties agreed that the direction and supervision of employees in the day-to-day operations are within the rights of the Employer.
- 8.04 A Union Steward or a Union Representative shall be present at the time of discipline, in disciplinary meetings, at meetings when discipline might occur, and during investigatory meetings.
- Union Representatives and Stewards shall be readily available. Readily available means one of them can be contacted to be on site within a reasonable period of time in the totality of the circumstances.
- 8.05 Where an employee faces actual or possible discipline or discharge and the Employer wishes to rely in whole or in part on surveillance evidence in asserting just cause, the Union or its counsel, upon request, shall be allowed to view, hear, or scrutinize that evidence.
- 8.06 No employee reprimands shall be used in any disciplinary action after twelve (12) months. No suspension shall be used in any disciplinary action after twenty-four (24) months.

Effective the date of ratification, all new disciplinary action relating to Food & Beverage or Slot Variances will remain on an employee file for a period of six (6) months. In order for this time period to lapse the employee must:

- (a) be actively at work and/or;
- (b) must not incur any further infractions

or the six (6) month time period will re-start.

NOTE: Employees with existing discipline related to Food & Beverage or Slot Variances on their file at date of ratification will be included in the new article. As a result, these existing disciplines will remain on an employee's file for a period not to exceed six (6) months following the date of ratification provided they meet the above criteria.

Article 9 – Alberta Gaming and Liquor Commission Terms and Conditions and Operating Guidelines

- 9.01 It is understood that the Alberta Gaming and Liquor Commissions' Terms and Conditions and Operating Guidelines form the basis of license by which the Corporation must operate.
- 9.02 The parties agree that the Alberta Gaming and Liquor Commissions' Terms and Conditions and Operating Guidelines will be followed and adhered to. Employees violating these guidelines may be subject to discipline up to and including termination.
- 9.03 The Employer shall not discipline or invoke a penalty of any kind in respect to employees who have reported, in good

faith, legitimate improprieties and/or breaches arising from the Alberta Gaming and Liquor Commissions' Terms and Conditions and Operating Guidelines and/or other obligations.

Article 10 – Layoffs and Recall

10.01 In the event of a temporary layoff, as per Article 2.09, the Employer will advise the employees of necessity of layoffs. This does not include instances where the charity's license has been suspended or cancelled.

The eligible employee will be entitled for all benefits until the end of the month, in which the layoff occurred, at no cost to the employee from the date of layoff.

10.02 In the event of a permanent layoff, as per Article 2.10, the Employer will provide termination pay, as per Article 27.05 and an ROE will be mailed to the employee's address on file.

10.03 When the Employer identifies that a layoff is required, the Employer will meet with the Union to discuss and make every reasonable effort to lessen disruption to the employees. The Employer will identify classifications in which the layoffs are to occur, the required skills reasonably necessary to be maintained, and the number of positions to be eliminated.

The Employer will then meet with each affected employee with a readily available Union Representative, as defined in Article 8, and present the options available to the employee. The employee will be required to elect their option within forty-eight (48) hours.

The Union recognizes the Employer's responsibility to maintain the best possible workforce to ensure the efficient and productive operation of its business, subject to the provisions of the Collective Agreement.

- 10.04 Prior to eliminating any full-time positions, the Employer shall adjust or eliminate part-time, temporary, or acting hours of work prior to affecting any full-time employees.
- 10.05 The Employer agrees to make every reasonable effort, including offering part-time hours to full-time employees, where possible, to maintain any affected employees within the bargaining unit and give preference to any employees affected by layoff for any vacancy for which they are qualified.
- 10.06 In the event that a layoff is required, the employee with the least seniority within the classification shall be the first displaced from the classification, having consideration for the skills required as per Article 10.03.
- 10.07 An employee to be laid off shall be allowed to displace any employee with less service seniority, as per Article 3, within their department, in another classification, provided that the senior employee is qualified to fill the position of the displaced employee. A part-time employee displacing into a lower classification will not be able to displace a full-time employee. An employee who elects to displace another employee shall make **their** election within forty-eight (48) hours of receipt of layoff notice, and if the employee has not elected to displace within that time, **they** will be deemed to have accepted the layoff. Employees exercising displacement rights shall be given a fair trial period, of four hundred eighty (480) hours, in the new classification. If the employee fails to complete the trial period, or elects to not

complete the trial period, they will be laid off if there is no position within the department to which they can bump.

An employee on disability, WCB, leaves of absence of any nature (including jury duty and bereavement), or vacation, who is identified for layoff, will be considered laid off immediately, however, the layoff will not be affected until such time that they return to work.

Employees electing to displace an employee in another classification will be dovetailed into the classification and will have their classification seniority adjusted to reflect the time spent in the classification they are joining.

10.08 If the number of full-time positions in the department affected by layoff is to be increased, employees shall be entitled to be recalled to their previous positions. Employees will be recalled to their previous position by order of their classification seniority, including any employees who elected to take a part-time position to avoid a layoff. Upon refusal, the next most senior employee on the recall list will be contacted. The method of contact will be by double registered mail.

An employee being recalled must return to work within seven (7) days of receipt of the double registered mail, except in the cases of illness/injury (evidence of illness or injury will be required) or vacation (as long as the employee has notified the Employer of the absence). Employees with medical evidence will be given the seven (7) days notice period upon clearance for return to work. Employees on vacation will be given the seven (7) days notice period upon the previously provided date of return from vacation. If the employee refuses the recall they will no longer have recall rights. The

mandatory recall period will be effective for six (6) months following the layoff.

10.09 Postings During Layoffs

- (a) New employees shall not be hired into a classification while employees are on layoff from that classification.
- (b) Laid off employees will have the opportunity to also apply for any posted positions for which they are qualified.
- (c) A laid off employee who successfully applies for a position in another classification will be placed into the new classification until they are recalled to their previous classification as per Article 10.08. Upon refusal, the next most senior employee on the recall list will be contacted.

10.10 Seniority

Employees electing to apply for another classification will be dovetailed into the classification and will have their classification seniority adjusted to reflect the time spent in the classification they are joining. If the employee has no prior experience in the new department, they will have no classification seniority to be dovetailed, and will be moved to the bottom of the classification seniority list.

Article 11 – New Classifications

- 11.01 When a new classification is created, the Employer may assign an employee to such job for a period not to exceed thirty (30) calendar days. It shall be the responsibility

of the Employer to establish a wage rate and classification for such a new job within twenty (20) calendar days of commencement of the new job. The Employer agrees to discuss with the Union its' rationale for the rate of pay it establishes for the new classification. If the Employer and the Union fail to agree on the new rate or a classification for such new position, a grievance may be filed by the Union. The Union may file a grievance as outlined in this Agreement.

- 11.02 Vacancies within new classifications shall be posted within thirty (30) calendar days of the Employer establishing the wage rate and classification as per Article 11.01. The posting will be filled in accordance with the job posting provisions of the Collective Agreement.

- 12.02 Job postings shall identify the nature of the work to be performed, the hours of work, the shifts being offered, and the requirements of the position. Job postings shall be posted on the bulletin board in the lunchroom. The Employer has the right to establish the experience and educational requirements, and general abilities, provided these criteria are reasonable.
- 12.03 ***When an employee makes a request in writing, a reasonable effort will be made to contact an employee who***

is absent from work, by phone and/or by e-mail (if available), to inform ***the employee*** of the vacancy.

- 12.04 Employees wishing to step down from a position or classification may do so by notifying Management in writing. When the next position in their department becomes available they will be given the opportunity to step down. The employee will go to the new position with an equal placement on the wage scale (hours and level) and take all of their seniority with them.
- 12.05 If there are no applications from the employees, or no applicant is found that meets the requirements in Article 12.06, the Employer will fill the vacancy in such a manner as it determines.
- 12.06 Vacancies shall be filled on the basis of seniority, skills, qualifications, ability, and performance being sufficient.
- 12.07 If the employee's performance is not sufficient during their trial period, they will be returned to their previous position as per Article 13.02 Trial Period.
- 12.08 If Management deems it is necessary to fill a vacancy in the same classification within sixty (60) calendar days of the appointment, Management may either select a candidate from the applicants from the initial posting or post. If Management deems it is necessary to fill a vacancy after sixty (60) calendar days, Management will be required to post.

Priority will be given to internal applicants from the posting casino, pursuant to the provisions of the Collective Agreement. Once all internal efforts have been exhausted, the position will then be opened up to applicants from the other location;
- (b) The selection process, as identified in Article 12 – Job Posting, will then be used to fill the vacancy;
- (c) Employment start date with Starlight **Casino** or Grand Villa **Casino**, whichever is greater, will be used to determine length of service and for vacation entitlement;
- (d) The transferring employee will start at the bottom of the seniority list within the classification to which they have transferred and ***will lose their seniority from their previous position at the other location;***

During this trial period employees may be reverted to their previous position or may choose to revert. **If the employee reverts back at the employee's choice, the employee cannot accept another position for a six (6) month period. The employee** will be credited for their seniority upon their return. Any exceptions require the approval of the Employer. The Union shall be notified of any such exceptions within five (5) days.

13.03 Dealers – For dealers learning new games the following trial periods shall apply:

Baccarat – Seventy (70) hours, with an evaluation after thirty-five (35) hours;

14.05 A grievance concerning the discharge of an employee shall be brought and submitted directly to Human Resources within twenty-one (21) calendar days from the termination date.

14.06 If the Union Representative and the Employer do not resolve the matter, a mutually agreed upon single arbitrator shall be appointed within thirty (30) calendar days. The parties will make every reasonable effort to develop a mutually agreed list within thirty (30) calendar days following the ratification of this Agreement.

In the event the parties cannot agree on a single arbitrator, the Director of Mediation Services will be asked to appoint one. The cost of the arbitrator will be shared equally by the Grand Villa Casino and The United Food and Commercial Workers Canada Union, Local No. 401.

All other costs will be the responsibility of each party involved.

The arbitrator shall hear the circumstances of the grievance and shall issue a decision. The arbitrator shall not have jurisdiction to alter, add to, subtract from, modify, amend, or change any provision of this Agreement or to deal with any matter not covered by this Agreement, but may, however, interpret its provisions. Findings and decisions of the arbitrator shall be binding and enforceable on all parties.

Article 15 – Technological Change

15.01 Definition

“Technological change” is defined as a substantial change in technology to the process, equipment, or methods of operation that differs significantly from those previously utilized by the Employer.

15.02 Advance Notice

If the Employer anticipates that a technological change may have an impact on the work performed by employees, the Employer will, as early as possible, so advise the Union. At that time, the Employer will discuss the nature of the change, the approximate number of employees, new or otherwise, likely to be affected by the technological change and the effect the technological change may have on the working conditions and conditions of employment.

15.03 New Classifications

Any new classifications created as a result of a technological change will be discussed with the Union and will be posted in accordance with the terms of the Agreement.

15.04 Training

Where the Employer requires new or greater skills, such employees as approved by the Employer shall, at the expense of the Employer, be provided with appropriate training.

15.05 Employment Security

Employees displaced by technological change shall fall under the conditions of Article 10.

Employees displaced who are unable to perform any other role within the casino will receive notice in accordance with the provisions of the Employment Standards Code as identified in Article 10.02.

Article 16 – Equipment, Tools, and Uniforms

16.01 The Employer will make available all necessary tools and equipment at no cost to the employees. Such tools and equipment will remain property of the Employer and the employees will be required to take reasonable care of the property and may be required to sign out certain equipment and tools.

16.02 Uniforms

Where the Employer requires uniforms to be worn, such uniforms will be supplied to the employee at no cost. Lost articles will be replaced at the expense of the employee. Uniforms will be repaired, or replaced when no longer serviceable, at no cost to the employee.

Article 17 – Name Tags

17.01 The Employer is responsible for the cost of name tags required by the employee.

- 17.02 Employees will be charged for replacement name tags on a cost recovery basis.
- 17.03 (a) The Employer agrees to pay all security clearance costs for each employee except as set out below.
- (b) With respect to probationary employees, the Employer will refund the security clearance cost once the employee has successfully past probation.

Article 18 – Lunchroom, Change Room, and Bulletin Board

18.01 It is recognized that although the Employer has an obligation to provide proper maintenance for employee common areas, employees have a reciprocal responsibility to ensure that the lunchroom is maintained to an acceptable standard after use. The employee common areas will be cleaned on a daily basis.

Without restricting the generality of the foregoing, the Employer:

- (a) Shall ensure that exterminators continue to be contracted to ensure continuous pest control.
- (b) Shall ensure that staff room furniture is functioning and clean.
- (c) Shall ensure that clean water is available to staff in lunchrooms, and adjacent to the gaming floor.
- (d) Shall ensure that the working environment including air quality is safe and appropriate.
- (e) Shall ensure that entrances to staff lounge washrooms have doors.
- (f) Shall make every effort to adjust its HVAC equipment to ensure that temperatures in all areas are reasonable.

The Union recognizes that these are ongoing concerns and agrees to be reasonable in working with the Employer so that its obligations can be met. When issues arise, they will be addressed by the Employer and the Union will give the Employer a fair opportunity to meet its obligations in a reasonable period of time.

18.02 The Employer will provide the Union with a bulletin board for the purpose of posting Union notices relevant to communicating with its members. Such bulletin board will remain in the present location. Bulletins may only be posted by a person authorized by the Union.

Union notices will be restricted to:

- Notice of Union elections or appointments
- Notice of results of Union elections
- Notices of Union recreational and social activities
- Notices relating to Union Business

If the Employer has concerns about notices, they will arrange to meet with the Union President to resolve the matter. Either party may submit the issue to arbitration.

Article 19 – Substance Abuse and Addictions

19.01 Substance abuse is recognized as a serious medical and social problem that can affect employees. The Employer and the Union have a strong interest in encouraging early treatment and assisting employees toward full rehabilitation.

19.02 The Employer will provide appropriate referrals to employees for counselling services or treatment and rehabilitation facilities.

Article 20 – Harassment in the Workplace

20.01 The Employer and the Union recognize the problem of all types of harassment in the workplace as defined in the Alberta Human Rights Code and are committed to ending it. The Employer agrees to investigate and resolve allegations of harassment in a timely manner.

20.02 Harassment is not a joke. It is cruel and destructive behaviour against others that can have devastating effects. It is an expression of perceived power and superiority by the harasser(s) over another person, usually for reasons over which the victim has little or no control: sex, race, age, creed, colour, marital status, sexual orientation, disability, political or religious affiliation, or place of national origin. Harassment on any of these grounds can be made the basis of a complaint to most provincial and federal human rights commissions. Harassment can be defined as any unwelcome action by any person, in particular by the Employer or a co-worker, whether verbal or physical, on a single or repeated basis, which humiliates, insults, or degrades. "Unwelcome" or "unwanted" in this context means any actions which the harasser knows or ought to know are not desired by the victim of the harassment.

Sexual harassment is any unwanted attention of a sexual nature such as remarks about appearance or personal life, offensive written or visual material like graffiti or degrading pictures, physical contact of any kind, or sexual demands. Racial harassment is any action, whether verbal or physical that expresses or promotes racial hatred in the workplace such as racial slurs, written or visually offensive material, jokes, or unwanted comments or acts.

The experience of harassment can be overwhelming for the victim. People often react with shock, humiliation, and intense anger. Therefore the victim of harassment may not always feel comfortable going through normal channels for resolving such problems.

Because of the sensitive, personal nature of harassment complaints, especially racial and sexual harassment, the victim may prefer initially to seek other assistance. This could be a Supervisor/Manager, any person, professional organization, or member of the Union who will in turn bring their complaint to the Employer. The Employer agrees to investigate allegations of harassment and will endeavour to resolve the issue in ten (10) days. Any resolution of a harassment complaint must reflect the serious nature of such acts and send a clear signal that they will not be tolerated. This also applies to any and all harassment in the workplace.

Article 21 – Leaves of Absence

General Limitations on Leaves of Absence

All leaves of absence provided for in the Agreement are leaves without pay, unless it is specifically provided in the appropriate article that the leave of absence is to be granted with pay.

21.01 An employee, with approval of the Employer, may be granted a leave of absence not to exceed three (3) months. An employee requesting a leave must do so in writing two (2) weeks prior to commencement and indicate their intention to return two (2) weeks prior to the end of the approved leave. The Employer will respond in writing within one (1) week. A request for an extension of leave must be

made two (2) weeks prior to returning, and may be granted by the Employer if request is reasonable. Request for leave of absence shall not be unreasonably denied. A full-time employee who wishes to remain covered by the Benefit Plan prescribed in this Agreement must make provisions to pay the full cost of the monthly premiums in advance. Any exceptions require the approval of the Employer. Where an employee utilizes this article for compassionate reasons, not otherwise defined in the Agreement, less notice will be accepted in emergent circumstances.

21.02 The Employer agrees to allow time off work, without pay, to not more than five (5) employees for delegates selected to attend seminars and Union conventions. The Union will give the Employer two (2) weeks' notice in regard to conventions and seminars and reasonable notice for other matters.

It is recognized that operational demands during the period of July, August, and December may limit this to two (2) employees.

The Employer agrees to grant time off, without pay, and without discrimination, to not more than two (2) employees designated by the Union, for a maximum of six (6) months, or a longer period as may mutually be agreeable, to serve in the capacity of official Union business; providing that, notification is given to the Employer in sufficient time to procure a relief person for the job involved.

21.03 Compassionate Leave

An employee is entitled to up to five (5) days of unpaid leave during each calendar year to meet responsibilities related to the provision of care to a gravely ill or dying immediate

family member. Additional time off for these purposes shall not be unreasonably denied.

“Immediate Family” will be defined as spouse, partner, child (including current step-child), mother, father, sister, brother (including step-sister or step-brother), grandparent, or grandchild.

This article may be utilized for the care of a gravely ill person who considers the claimant to be like a family member.

An employee requesting a leave must do so in writing two (2) weeks prior to the commencement of the leave start date, less notice will be accepted in emergent circumstances.

21.04 Family Responsibility Leave

An employee is entitled to up to five (5) days of unpaid leave during each calendar year to meet responsibilities related to the care, health, or education of a child in the employee’s care, or the care or health of any other member of the employee’s immediate family. A birth mother is eligible to combine both maternity and parental leave to a maximum of **seventy-eight (78) weeks** and must take the leaves consecutively.
- 22.03 An employee who qualifies for maternity/parental leave pursuant to the Employment Standards Code is entitled to, upon written application to their Manager, an unpaid leave of absence totalling up to **seventy-eight (78) weeks**. If no application is made, except in the case of a medical certificate provided within two (2) weeks after **they** cease work, the employee will be deemed to have resigned and the Employer will be under no obligation to provide future employment.
- 22.04 Application for maternity leave must be made in writing at the earliest possible date, no less than six (6) weeks prior to commencement. The employee shall furnish the Employer with a medical certificate certifying that **they are** pregnant and giving the estimated time of delivery. The employee will still be eligible for the leave if medical circumstances prevent

them from giving this notice. If during the twelve (12) weeks immediately before the estimated date of delivery the pregnancy of an employee interferes with the performance of **their** duties, the Employer may give the employee written notice requiring **them** to start maternity leave.

22.05 Application for parental leave must be made in writing at the earliest possible date, no less than six (6) weeks prior to the commencement unless the medical condition of the birth mother or child or the date of the child's placement with the adoptive parent makes it impossible to comply with this requirement.

22.06 An employee who intends to resume employment on the expiration of leave of absence granted pursuant to this article shall give written notice to the Employer four (4) weeks prior to the end of the approved leave period. The Employer will re-instate the employee to the same position and wage scale. Where an employee fails to provide this notice, or fails to report for work the day after the leave ends, the Employer is under no obligation to reinstate the employee unless the failure is the result of unforeseen or unpreventable circumstances.

22.07 Nothing in this article shall be interpreted so as to deny any additional entitlements or benefits available or pursuant to the **Alberta Human Rights Act**.

22.08 Nothing in this article shall be interpreted so as to deny any benefits available for an employee who has a health related reason related to pregnancy or maternity for absence from work. Where the employee has qualified for group benefits, **they** may apply for sick benefits or group insurance benefits as per the Collective Agreement.

Article 23 – Injury

- 23.01 An employee injured or taken seriously ill on the job shall be paid for the balance of **their** shift on which the injury/illness occurred if, as a result of such an injury or illness, the employee is sent home or for medical attention by the Employer or is sent to an outside hospital and a doctor at such hospital or the employee's own doctor certifies that the employee should not return to work.
- 23.02 The Employer will make available transportation for such injured or ill employee.

Article 24 – Jury Duty

- 24.01 Any employee who is called to and reports for jury duty, or is subpoenaed to testify as a Crown witness in a court of law in a criminal proceeding, shall be paid the difference between **their** regular hourly rate and the amount **they** receive for jury duty or as a witness for each day lost, if the employee would have otherwise been scheduled to work for the Employer on that workday.
- 24.02 Employees shall furnish evidence to the Employer that they reported for or performed jury duty or appeared as a Crown witness in a court of law on the days for which they claim payment.
- 24.03 Employees required to testify on behalf of the Employer or the Crown with respect to workplace incidents will be considered as working for time spent in this regard. The Employer will pay the employees the difference between the amount of money the employee receives from the summons and the employee's actual rate of pay and reasonable

expenses for meals, parking, out of town travel expenses, or accommodations upon presentation of receipts.

Notwithstanding the foregoing, the Employer shall not use forced early outs where it will necessarily result in overtime for remaining staff in the applicable classification(s).
