Listed Letters of Understanding to be renewed, all others to become void upon ratification of renewal Collective Agreement.

LETTER OF UNDERSTANDING
BETWEEN:

INTERNATIONAL UNION OF OPERATING ENGINEERS,
LOCAL UNION NO. 955

AND

UNITED FOOD AND COMMERCIAL WORKERS CANADA UNION,
LOCAL NO. 401

Letter of Understanding #1 – Pension Adjustments

The Parties recognize that due to favourable investment returns and contributions the employees of the International Union of Operating Engineers Local Union No. 955 currently do not have to make employee contributions to the General Pension Plan that they participate in, and that this waiver of employee contributions may not continue in the future.

The Employer agrees that in the event that the employees of the International Union of Operating Engineers Local Union No. 955 resume making partial employee contributions, or resume full employee contributions, then the Employer shall adjust the pay schedule for the employees of the International Union of Operating Engineers Local Union No. 955 by the same amount.

Letter of Understanding #2 – Article 11 – Medical Plan, Hospitalization, Pension

The following clarification shall apply to Article 11 – “Medical Plan, Hospitalization, Pension – Health or Personal Spending Accounts”.

As per the Collective Bargaining Agreement, effective January 1, 2015, employees are entitled to a six hundred (\$600) dollar allowance each year, to be used as an Annual Health or Personal Spending Account.

Employees will select either a Health Care Spending or Personal Wellness Account. Employees may change their selection on December 1 of each year for the following year.

These plans (Health and Personal Wellness) will be administered by OE955 H&W benefit provider in conjunction with the regular Drug, Dental, and Extended Health Care benefit plan. All the forms and information will be available on the Claim Secure web site. The benefit provider will be the primary point of contact to address all benefit questions including the Health Care and Personal Wellness accounts.

Health Care Spending Account (HCSA)

A Health Care Spending Account (HCSA) is a group benefit that provides reimbursement for a wide range of health-related expenses, beyond the coverage of the regular benefit plan. The account can be used to cover expenses incurred by you and any dependents who qualify. HCSA's are administered in accordance with Canada Revenue Agency guidelines and as such, the guidelines will be used to administer the plan.

Examples of eligible expenses:

- Any coinsurance payments and amounts in excess of coverage limits under the Extended Health Care (EHC) and Dental Plans
- Vision care expenses such as eye examinations, glasses, contact lenses in excess of the existing benefit
- Paramedical practitioners including chiropractors, acupuncturists, optometrists, physiotherapists, and psychologists in excess of EHC plan coverage
- Massage therapist services

In accordance with Canada Revenue Agency's guidelines, Local 955 HCSA will be a "balance carry forward plan". If a member's annual claims do not exceed their HCSA allocation for the current plan year, the remaining credit balance is carried forward to the next plan year. The credit balance for the second year is the carried forward amount in addition to the new second year HCSA allocation. If the credit amount carried forward is not used by the end of the next plan year, this amount is forfeited.

Personal Wellness Account

The Personal Wellness Account is structured for the individual employee to use for their own personal benefit and as such cannot be used for spouses or dependent expenses. Unlike the HCSA, any claims reimbursed to the member under a Wellness Program are taxable to the member and will be reported on a T4 or T4A. Unused amounts under the Wellness Program may not be carried forward.

The benefit provider will administer the Wellness Program as they do for all other Local 955 benefits.

The Wellness Program can include and be used towards the following activities by each employee:

1. Health related services
 - Weight management programs: Jenny Craig, Weight Watchers, Etc.
 - Smoking cessation programs
 - Nutrition programs
2. Fitness related services
 - Fitness club membership and classes such as: Yoga; Zumba; Spin; Kickboxing; Running/ Walking Groups
 - Sports club fees
