Between: ***Pattison Food Group Ltd.*** (Save-On-Foods) a body corporate carrying on business in the City of Fort McMurray hereinafter referred to as the Employer.

And: The United Food and Commercial Workers Canada Union, Local No. 401, chartered by the United Food and Commercial Workers International Union, hereinafter referred to as the Union.

CLARIFICATION OF ITEMS:

In this Agreement, wherever the words “he”, “she”, “her” or “him” appear, it shall be construed as meaning any employee, male or female. Wherever the words “employee” or “employees” appear, it shall mean any person or persons covered by this Agreement.

Article 1 – Purpose of Agreement

It is the intent and purpose of the parties hereto that this Agreement will promote, improve, and maintain industrial, economic and harmonious relations between the Union, the employees, and the Employer, and to set forth herein the Agreement between the parties covering rates of pay, hours of work, and conditions of employment, to be observed by the Employer, its employees, and the Union during the term hereof.

Article 2 – Recognition and Jurisdiction

- 2.1 (a) The Employer recognizes the Union as the sole collective bargaining agent for all employees in the meat and delicatessen departments in the retail store of the Employer located at 131 Signal Road, Fort McMurray, Alberta, T9H 4N6, except those in the role of Meat Manager and Deli Manager.

However, it is also understood that the Employer shall not be precluded from making such decisions that pertain to the reassignment of work now being performed by employees covered by this Collective Agreement providing such reassignments will remain in the jurisdiction of the Union and are handled in a manner that is mutually acceptable to both parties to this Agreement during the term of this Collective Agreement.

- 2.2 There shall be a member of the bargaining unit on duty at all times custom meats are for sale in the Meat and Delicatessen Departments, except during rest and meal periods when staff is not available. There is no guarantee of employment of any affected employee in retail stores but full consideration of employment at the meat plant(s) will be given provided vacancies exist. And if more than one **(1)** vacancy exists retail seniority will prevail.

Article 3 – Union Security

- 3.1 The Employer agrees to retain in ***their*** employ within the bargaining unit, as outlined in Article 2 of this Agreement, only members of the Union in good standing. Such employees will be required as a condition of employment, to have the equivalent of regular Union dues deducted from their earnings each pay period. In all other cases at least forty-eight (48) hours' notice of any change must be given or four (4) additional hours' pay given in lieu of notice.

Employees will not be required to work more than seven (7) consecutive days unless they are relieving in the event of unscheduled absence of other staff or affected by emergencies as indicated above.

It shall be the Employer's responsibility to notify the employees of a change in their schedule.

- 5.5 Employees will record their time electronically. Employees shall punch their own time at the time they commence and finish work and the time they commence and return from meal periods, and rest periods if so required. Management agrees to assume its full responsibility in seeing that the employees are paid for all time worked and recorded.

In a grievance involving time worked the Union can request a copy of the time and attendance records involved for employees. Any time and attendance records requested shall be made available as soon as conveniently possible.

No member of the bargaining unit shall, outside paid working hours, instruct other members of the bargaining unit on matters pertaining to their work. All such time worked shall be paid in accordance with Article 5.6 and Article 5.7.

5.6 Daily Guarantee

Any employee shall receive pay for their scheduled hours of work on the day if sent home prior to completion of scheduled hours, unless terminated as provided in Article 12 of this Agreement. In the event an employee reports for work but has not been advised of a change of their starting time as per this **Article**, they shall be allowed to commence work immediately or the Employer shall pay the employee from the time they reported for work, the foregoing will not apply if the said employee reports early on their own accord.

5.7 Overtime Pay

All time worked in excess of the daily hours, or the basic work week, as defined in Article 5.2 shall be paid at the rate of time and one half (**1 ½ X**) the regular rate, all overtime hours worked in excess of two (2) hours in addition to an employee's regular eight (8) hour shift shall be paid for at double the employee's regular hourly rate of pay. Compensating time off shall not be given in lieu of overtime pay.

Part-time employees shall be paid time and one half (1 ½ X) for all time worked in excess of eight (8) hours in any one (1) day, forty (40) hours during any one (1) week and for all work performed on the sixth (6th) and seventh (7th) day of the employee's scheduled work week.

Overtime shall be by mutual consent and, where practical, shall be offered to the most senior employee(s) on the shift, provided the employee has the ability and qualifications to perform the required overtime work. If the senior employee(s) do not wish

to accept the overtime, the Management shall have the right to assign such work to the junior employee who has the necessary ability and qualifications and who are at work at the time.

5.8 Scheduling

(1) Definitions

“Unrestricted Part-time Employee” means a part-time employee who is available to work any shift normally worked in ***their*** Department, three **(3)** days per week. Monday to Friday, plus Saturday, Sunday, and General Holidays. Employees hired before July 1987, will not be required to be available for Sundays.

(2) Scheduling Groups

- (a) Meat Department (Meat Cutters, Meat Clerks)
- (b) Deli Department

(3) Scheduling

- (a) In the ordinary course of business the order of scheduling hours within each scheduling group will be:
 - (i) Full-time employees to the extent of their basic workweek
 - (ii) Unrestricted Part-time employees
 - (iii) Restricted Part-time employees

- (b) Unrestricted Base Hour employees will be scheduled more hours than other part-time employees in their classification, in their Department, and no less than their base provided there are hours available in their classification in their Department after the full-time employees have all been scheduled and the employee has indicated availability to work those hours.
- (c) Unrestricted part-time employees will be scheduled before restricted part-time employees (i.e. unrestricted part-time employees will be scheduled to work more hours than restricted employees).
- (d) Subject to the above paragraphs (a) through (c), in scheduling part-time employees:
 - (i) Part-time employees will be given preference in available weekly hours in their store, in their Department, and in their scheduling group in accordance with their seniority. The foregoing is not meant to restrict the Employer where, due to operational efficiency, it is necessary to use inter-departmental scheduling. Where inter-departmental scheduling is used employees who are regularly scheduled in one department will be assigned scheduled shifts/call-ins in their department before employees from other departments.
 - (ii) Senior part-time employees within a classification and a department will be given the opportunity to work their hours for the week in a fewer number of days.

- (iii) The Employer shall not reduce the weekly hours of work of an unrestricted employee for the purpose of replacing those hours with an employee at a lower rate of pay.
- (iv) Where adjustments to the schedule are necessary, wherever possible, they shall be made in such a way as to minimize the reduction of hours of senior employees.
- (v) The foregoing will not limit the ability of the Employer to provide optimum service to retail customers.
- (vi) A part-time employee relieving a Deli Manager for vacation purposes and other short term absences up to a maximum of three (3) weeks may receive more hours in their department in their store than more senior part-time employees where the senior part-time employees are neither desirous or capable of performing the relief work.

(e) Night Shopping

A provision shall be made for a fair rotation of employees (including Department Managers) when stores are open for night shopping. The intent of this language is to ensure employees are scheduled closing shifts on a fair rotation basis provided it is practical for store operations.

Where there are issues regarding fair rotation, the Employer and Union agree to meet to discuss a solution.

(f) Night Shift Premium

All hours worked by an employee between eleven (11:00) p.m. and seven (7:00) a.m. shall be considered as shift work and paid for at the applicable straight time/overtime rate plus two (\$2.00) dollars per hour Shift Premium for each full hour worked during this period.

Night-shift premium shall not be added to the employee's hourly rate of pay for the purpose of computing overtime pay.

(g) Shift Interval

There shall be an interval of not less than ten (10) hours between shifts for all employees. An employee who is not allowed ten (10) hour intervals between shifts shall be paid the rate of time and one half ($1 \frac{1}{2} X$) for time worked prior to the expiry of the ten (10) hour interval. The hours which an employee works prior to the expiry of the ten (10) hour interval will be included in determining the basic workday for the purpose of calculating overtime. (Example: An employee's shift ends at 10:00 PM and they start the next day at 6:00 AM working through to 5:00 PM with an hour for lunch (**ten** (10) hours worked). That employee is entitled to pay as follows: the first two (**2**) hours at time and one half (**$1 \frac{1}{2} X$**), the next six (**6**) hours at regular time and the last two (2) hours at time and one half ($1 \frac{1}{2} X$) because these hours exceed eight (**8**) in one (1) day).

(h) Transfer Between Scheduling Groups

The Employer may transfer an employee between scheduling groups to provide relief and additional help after all part-time employees within that scheduling group have been given the opportunity to work the available shifts up to the point of being scheduled overtime.

(i) Consecutive Days Off

The Union and the Employer recognize that the scheduling of consecutive days off combinations varies from store to store in accordance with the operational requirements of the department and the preferences of the employees.

Effective Sunday after ratification and contingent on the continuing operational and staffing requirements of the department, the weekly work schedule will provide full-time employees with their current pattern of days off.

Further, in those Meat Departments employing five **(5)** or more full-time employees, each full-time employee will be entitled to be scheduled consecutive days off once every four **(4)** weeks.

In Deli Departments, a full-time employee will be entitled to be scheduled consecutive days off once every four **(4)** weeks.

(4) Restrictions and Availability Forms

Part-time employees will be required to declare their availability upon being hired.

Any part-time employee can change their availability four (4) times per year by obtaining a new Availability Form from their Store Manager and submitting it prior to the following effective dates:

- (a) The first Sunday in September (with a two (2) week leeway before or after);
- (b) Three (3) other times in the calendar year.

Changes in availability must be submitted two (2) weeks prior to the Sunday of the week of the effective date of the change.

Part-time employees will be required to work according to their most recent declaration of availability. Employees cannot use a floating availability date to limit or further limit their availability between November 15th and the end of the year.

A part-time employee who fails to provide the Employer with a completed Availability Form prior to the above dates will be scheduled according to their previous Availability Form.

The Employer shall allow the Union to review and photocopy completed Availability Forms at store level upon request.

An Unrestricted part-time employee must be available to work any shift scheduled in their department on the days required to work, as defined in Article 5.8 (1) an Unrestricted part-time employee who is attending an accredited school of learning and is considered a full-time student, as defined by that school, shall be available to work any shift scheduled in their department while the store is open to the public, with the exception of their classroom hours.

A restricted employee must be available anytime on Sundays as per Article 5.8 (6).

An Unrestricted part-time employee may occasionally request one (1) or two (2) specific days off in a week without a reduction in hours, provided that other hours are available and the employee is otherwise eligible to work those hours under the provisions of this Collective Agreement. Such employee may be required to work on days that they are not normally available to maintain their hours. The Employer will have no obligation to grant a request for days off, or maintain the employee's hours, if the request is made after the schedule is posted.

(5) Maximum and Minimum Weekly Hours

Employees hired after March 17th, 1993, will be scheduled up to twenty-eight (28) hours a week. The Employer may exceed twenty-eight (28) hours a week provided junior employees in the same classification in the department who perform the same job and are available to perform the work have been given the opportunity to work up to twenty-eight (28) hours.

When an Unrestricted part-time employee is scheduled to work, they will be scheduled for a minimum of twelve (12) hours in a week.

The above twelve (12) hour minimum only applies if, after the hours of full-time and Base Hour employees are scheduled, there are at least twelve (12) hours available in the week that can be worked by one (1) person.

Restricted part-time employees will not be eligible for the twelve (12) hour minimum.

The twelve (12) hour minimum is not meant to be a maximum.

(6) Sunday Work

Sunday shall be considered the first day of the employee's basic work week for all purposes of this Collective Agreement.

If sufficient employees are not available to work on Sundays, the Employer shall have the right to schedule hours according to "reverse seniority" provided the employee has the ability to perform the work required. For the purpose of scheduling available weekly hours of work, hours worked on Sunday shall be included in a part-time employees' regular weekly schedule.

(7) Call-ins

In the event of a short notice absence of an employee or in the event an occasion arises where work beyond that which is scheduled is necessary and additional hours must be worked, the Employer will call-in part-time

employees in the applicable classification in accordance with the following:

- (a) In the event that occasion arises where work beyond that which is scheduled is necessary, a Base employee shall be entitled to work an additional shift if their current weekly schedule of hours allows them to do so without exceeding the basic work week as outlined in Article 5.2 of this Collective Agreement.
- (b) Part-time employees will normally be scheduled up to a maximum of twenty-eight (28) hours per week. Notwithstanding the foregoing, part-time employees will be allowed to work a weekly schedule which exceeds twenty-eight (28) hours when they answer call-ins due to the absence of other staff.

Part-time employees in the same classification and department who perform the same job will be entitled to be called in for extra shifts in order of seniority provided that once a senior employee's scheduled weekly hours and call-in shifts worked exceed twenty-eight (28) hours for that week, then junior employees shall be entitled to call-in shifts on the foregoing basis.

In addition, part-time employees will be allowed to work a weekly schedule which exceeds twenty-eight (28) hours during seasonally busy periods, during a week a statutory holiday occurs, and at times when other employees in the department are absent due to illness, accident, vacation, or other approved leaves of absence. Part-time employees will not, however, be allowed a weekly schedule which exceeds twenty-eight (28) hours until all

Unrestricted Base Hour employees have been offered the extra hours up to the point of being scheduled overtime.

- (c) An employee who does not want to receive call-in shifts can indicate this on their Availability Form. Such indication will waive their rights to receive call-ins under this Article.
- (d) Subject to (a), (b), and (c) above, employees will be called in order of seniority.
- (e) All employees who are called-in shall have their additional hours posted on the schedule in red ink as call-in hours.

5.9 Rest Periods

Employees working a shift of six (6) or more hours shall receive two (2) rest periods of fifteen (**15**) minutes each, with pay.

Employees working a shift of four (4) hours or more, but less than six (6) hours will receive one (1) rest period of fifteen (15) minutes, with pay. Rest periods shall be scheduled on the basis of one (**1**) before and one (**1**) after the meal, but shall not be combined with the meal period. Rest periods shall not begin until one (1) hour after commencement of work or following return from meal period or less than one (1) hour before either the meal period or the end of the shift as the case may be.

5.10 Meal Periods

Meal periods shall be a minimum of thirty (30) minutes and a maximum of sixty (60) minutes uninterrupted duration, unpaid, shall not start earlier than three (3) hours, nor later than five (5) hours after commencement of an employee's shift.

Work performed over five (5) hours without a meal period shall be paid for at two (2X) times the employee's regular rate of pay. The double **(2X)** time penalty shall not apply in the case of a part-time employee who works a shift of more than five (5) hours, but less than seven (7) hours who wishes to take the rest period(s) to which **they are** entitled in lieu of an unpaid meal period. Those part-time employees who are scheduled six (6), but less than seven (7) hours may combine their two rest periods at mid-shift in lieu of their unpaid meal period.

Any shift starting at 9:00 p.m. or later shall have a thirty (30) minute meal period on the employee's own time.

- (a) If an employee is required to work more than one (1) hour overtime; **they** will be given a fifteen (15) minute paid rest period. The break will be taken before the commencement of the overtime. The meal periods will be scheduled as near mid-shift as possible. Similarly, rest periods will be scheduled as near to midway between the meal period and the commencement and finish of a shift as possible.

5.11 Staff Meeting

Staff meetings wherever held, shall be considered as time worked and compensated for as such, except when they are dinner meetings at which attendance by an employee is on a voluntary basis. Such dinner meetings in excess of two (2) during each contract year shall be considered as time worked and paid for accordingly.

When dinner meetings are called a notice will be posted indicating that the meetings are voluntary. A copy of the dinner meeting notice will be faxed to the Union office at time of posting.

Article 6 – Statutory Holidays

6.1 The following days shall be paid Statutory Holidays:

New Year's Day	Labour Day
Family Day	Thanksgiving Day
Good Friday	Remembrance Day
Victoria Day	Christmas Day
Canada Day	Boxing Day
Alberta Heritage day (1 st Monday in August)	

and all other public holidays proclaimed by the Federal, Provincial, or Municipal Governments, provided that all other major stores selling meat are required by law to recognize those public holidays.

In the case of a Statutory Holiday proclaimed by a City or Municipality, only those stores of the Employer in that City or Municipality shall be affected by the requirements of this **Article**.

6.2 Provided they work their regular scheduled full work day before and after the holiday unless absent due to bona fide illness or accident, employees regularly working full-time shall receive eight (8) hours pay for each such holiday.

6.3 Part-time employees shall receive the following Statutory Holiday pay:

Average hours worked in the four (4) weeks preceding, the week in which the holiday occurs.

20 hours but less than 32 hours	- 6 hours pay for each holiday
32 or more hours	- 8 hours pay for each holiday

All other employees shall be paid for the number of hours they would normally have worked on such a day, or days, if it was not a holiday.

In the calculation of the foregoing average all hours worked including overtime to a maximum of forty (40) will be included.

For purposes of determining a part-time employee's entitlement to Statutory Holiday pay, all paid time off shall be counted as hours worked.

In such instances an earnest effort will be made to settle all matters promptly in the manner hereinafter outlined.

By the employee(s)

Step 1

The employee or employees concerned, with or without a Shop Steward in attendance, may first seek to settle the difference in discussion with the Department Manager.

2-3 years service: 2%

3-4 years service: 3%

4-5 years service: 4%

5+ years service: 5%

If the Plan does permit, and in the absence of an unreasonable penalty or cost to the Employer in making this change, and subject to **Union** agreement, the Employer will have future employees join the Employer DC Plan (identified above) going forward, while continuing to contribute to CCWIPP for existing members. The parties have agreed that the Union will

only object to this new plan in the event there is a tangible negative impact on Plan participating members' accrued benefits under the Plan. It is understood and agreed that if the Employer fails in its efforts to make these proposed changes with the CCWIPP trustees, all employees shall be registered into the CCWIPP Plan.
